

## Appointment of Chief Financial Officer

**Dotz Nano Limited (ASX:DTZ, Dotz or the Company)** an advanced technology company developing, manufacturing and commercialising marking, tracing and verification solutions, has appointed Guy Khavia as Chief Financial Officer, effective 17 March 2022.

Mr Khavia brings more than 20 years' experience to the role including 11 as regional CFO at **Amplifon SpA (BIT:AMP)**, the Milan-headquartered global leader in hearing healthcare and the world's largest hearing aid retailer.

He has also worked as a CFO and senior consultant at global technology and commercial companies including Pagaya Technologies and **Classic Air Group** and at **KPMG** and **BDO**.

Dotz Chair Bernie Brookes said: "We are delighted to welcome Guy to Dotz. His extensive experience in finance and operations, including mergers and acquisitions, will be valuable as the company focuses on delivering on our strategic objectives and growth opportunities."

Guy's appointment to the full-time role is in line with the growth of Dotz, given the Company's requirements have increased as the growth strategy has been executed. Previously, the CFO role was being undertaken by Tomer Segev on a part-time basis.

"The resignation of Tomer Segev, our long-term part-time CFO, has enabled us to now engage a new full-time CFO in Guy. Tomer is working with Guy to ensure a smooth handover, and he departs with the board's appreciation for a job well done. We wish him well in his future endeavours".

Guy is a Certified Practising Accountant and holds an MBA (Finance) and CPA (Accounting) from the College of Management in Israel.
