

ASX Announcement

1 April 2022

INVESTOR WEBINAR PRESENTATION

AKORA Resources (“AKORA” or “the Company”) (ASX Code: AKO) is pleased to announce its participation in the ShareCafe Small Cap "Hidden Gems" Webinar, to be held Friday 1st of April 2022 from 12:30pm AEDT / 9:30am AWST.

Managing Director Paul Bibby will provide an overview of the Company’s exploration and development activities at its three iron ore projects located in Madagascar. AKORA recently announced a maiden mineral resource for the northern and central zones at its Bekisopa Project, totalling 84.5 million tonnes.

This webinar is able to be viewed live via Zoom and will provide viewers the opportunity to hear from, and engage with, a range of ASX-listed leading micro/mid cap companies.

To access further details of the event and to register at no cost, please copy and paste the following link into your internet browser:
