## St Barbara completes acquisition of Bardoc

St Barbara Limited (ASX: SBM) ("**Company**" or "**St Barbara**") is pleased to announce that implementation has occurred under the scheme of arrangement ("**Scheme**") for the acquisition of all the issued shares of Bardoc Gold Limited (ASX:BDC) ("**Bardoc**"). The new St Barbara shares issued under the Scheme will commence trading on the ASX on a normal settlement basis on 14 April 2022.

St Barbara's Managing Director and CEO, Craig Jetson said "The completion of this major milestone has allowed us to lock in the acceleration of the Leonora Province Plan. The acquisition gives St Barbara access to the advanced Aphrodite and Zoroastrian underground deposits. Due to their proximity to road and rail infrastructure that connect them to Leonora, the deposits are expected to become additional ore sources to support the filling of the mill and the expansion to 2.1mpta. The acquisition also includes Bardoc's extensive land package, contributing to St Barbara's leading position in the Leonora province and provides a strong platform for the Company to deliver further organic growth for years to come."
