Release 22.04.2022

## Launch of the Cosmos Purpose Bitcoin Access ETF (Cboe: CBTC)

K2 Asset Management Holdings Ltd (KAM) is pleased to announce and partner with **Cosmos Asset Management** as Responsible Entity (RE) of the Cosmos Purpose Bitcoin Access Fund (Cboe: CBTC) to commence trading on Cboe Australia from **Wednesday 27 April 2022**.

This has been a long term project of both entities to find a solution in the increasingly important digital and crypto segment. KAM anticipate a growth in new funds within this sector going forward.

Cosmos Asset Management and Purpose Investments Inc have a joint venture partnership to provide Australians investment opportunities in cryptocurrency Exchange Traded Funds (ETFs). Purpose Investments listed the world's first Bitcoin ETF (Purpose Bitcoin ETF) on the Toronto Stock Exchange in February 2021. Cosmos Asset Management have a history of innovation in the Australian cryptocurrency funds management segment.

The launch of the new Cosmos Purpose Bitcoin Access ETF is part of the K2 Asset Management sustainable business growth across our three core pillars of service offering of **Funds Management**; **RE**; and **ETFs**.
