About AD1 Holdings

AD1 Holdings is a technology company with a growing portfolio of market-leading software businesses. We build, manage and acquire best of breed, high potential software businesses that develop specialised software solutions to address the specific needs of the global workforce. The Company currently operates in two main verticals being 'HR Services' and 'Niche Services'. Under HR services the company provides talent recruitment solutions in the form of ApplyDirect and Jobtale and mentoring products under the Art of Mentoring banner. The company also operates Utility Software Solutions which specialises in SaaS hosted customer interface solutions (CIS) and Business Process Outsourcing (BPO) services for energy providers.
