

**19 May 2022**  
**Australian Securities Exchange (ASX) Announcement**

## **Trading in SE1 securities to be suspended**

Sensera Limited advises that trading in its securities will be suspended from market opening on 23 May 2022.

By way of background:

- on 22 November 2021, Sensera announced the sale of its main undertaking, the MicroDevices business;
- under Listing Rule 12.3, ASX then allowed Sensera's securities to continue be quoted for six months, allowing time to identify and make an announcement of its intention to acquire a suitable new business; and
- the six month period expires on 23 May 2022.

Sensera advises that it is in diligent discussions with a third party and ASX, however these discussions are not sufficiently advanced to provide further information. The suspension will continue until Sensera makes an announcement acceptable to ASX about its future.

This announcement was authorised for release by the Board of Directors.
