

ASX ANNOUNCEMENT

Melbourne, Australia, 1 June 2022: The Sustainable Nutrition Group (ASX:TSN) (“TSN” or the “Company”), wishes to extend its voluntary suspension until the close of trading on 30 June 2022, following the initial notice of voluntary suspension released on 18 May 2022.

This extension will enable a comprehensive strategic review of the Company’s product ranging, customer acquisition pipeline and financial forecasts following the loss of a strategic customer supply agreement for existing branded goods (announced on 18 May 2022), and the recent resignation of the CEO.

The Company anticipates that the voluntary suspension remain in place until the earlier of the close of normal trading on 30 June 2022 or when the strategic review has been completed and the market update has been released.
