QANTM ANNOUNCES INTERNATIONAL EXPANSION AND BUSINESS SIMPLIFICATION

QANTM Intellectual Property Ltd (ASX:QIP) today announces the next phase of the expansion of its industry-leading Intellectual Property services into Singapore, as well as consolidation of some of its business operations.

Sortify.tm launches online trade mark platform in Singapore

QANTM's online trade mark services business **Sortify.tm** has launched Trademarks Online in **Singapore**, a highly sophisticated and important market for intellectual property. After launching in New Zealand in 2016, Sortify.tm has rapidly established itself as a leading provider of online trade mark services across New Zealand, Australia and, more recently, the United Kingdom. Sortify.tm is now the #2 filer of trade marks in both Australia and New Zealand. The UK is also building momentum.

Sortify.tm Chief Executive Claire Foggo said, "Singapore is a nation of tech-savvy individuals and businesses, and we are excited to provide our fully automated platform to enable Singapore brand owners to apply to protect their trade marks in a matter of minutes. We are also looking forward to rolling out our online trade mark registration platform to assist more brand owners in more regions in Asia."

QANTM Chief Executive and Managing Director Craig Dower said, "QANTM continues to seek and respond to opportunities in high growth markets. The expansion of Sortify into Singapore strengthens our presence in this important IP market and points to the scalable nature of our business model. We are currently assessing further market expansion in Asia and expect to continue that expansion over the next 12-24 months."

Business integration

Integration of Advanz Fidelis into DCC Asia

DCC's operations in Asia will be strengthened with the integration into DCC of QANTM's high-quality Malaysian IP practice, Advanz Fidelis IP Sdn Bhd. QANTM acquired Advanz Fidelis in June 2018. The integrated operation will enhance DCC's capacity to provide professional services to clients across Australia, Malaysia, Singapore, Hong Kong and New Zealand. This integration process will occur over the next several months.

Integration of Cotters into DCC Australia and FPA Australia

The Sydney-based Cotters Patent and Trade Marks Attorneys business, acquired in May 2020, will now be integrated into DCC and FPA, strengthening the practice groups within each of those firms and extending the overall service proposition to Cotters clients. This integration process has commenced and will complete over the next several months.

Integrating Advanz Fidelis and Cotters will simplify QANTM's overall operations, resulting in improved efficiencies, reduced costs and increased client opportunities, as well as enhanced career opportunities for our people.
