Any other information the entity wishes to provide about the +securities the subject of this notification

Employees who continued to be employed by BHP after completion of the Petroleum merger with Woodside on 1 June 2022 did not receive the in specie dividend paid by BHP in respect of any unvested share rights, and the value of the underlying BHP shares to which they will receive on vesting will be reduced as a result of the in specie dividend that has been determined. To treat BHP employees fairly and restore the value of the unvested share rights to their pre-completion value, BHP will grant those employees a one-off grant of additional matching entitlements on the same substantive terms as the original unvested share rights. For more information see pages 11 and 12 of BHP - Merger update and details of Woodside share distribution (accessible at: https://www.bhp.com/-/media/documents/media/2022/2022/220408_bhpwoodsidemergerupdate.pdf)
