Dear Dale

### **SUSPENSION OF SUBORDINATED NOTES – CWNHB**

Crown Resorts Limited (ASX:CWN) (**Crown**) announced on 24 June 2022 that a Change of Control Event had occurred, that it had elected to redeem all of the outstanding notes listed on the ASX under the code "CWNHB" (Notes), that the Early Redemption Date and date for payment of the Redemption Amount would be 28 July 2022, and that the last day of trading of the Notes would be 15 July 2022.

### **Suspension of Notes from trading**

Pursuant to rule 17.2 of the ASX Listing Rules, Crown requests that ASX suspend the Notes from trading with effect from Monday 18 July 2022.

The reason for the suspension is that Crown has elected to redeem all of the outstanding Notes. Following redemption, the Notes will be cancelled and there will be no Notes outstanding. The suspension is intended to be permanent, and the suspension will end when the Notes are removed from quotation.

Crown is not aware of any reason why the Notes should not be suspended.

Unless otherwise defined in this letter, capitalised terms have the meaning given in the terms of the Notes set out in the Prospectus for the Crown Subordinated Notes II dated 25 March 2015.

Yours sincerely
