### About Aussie Broadband Limited:

Aussie Broadband is an Australian operated telecommunications company that was formed in 2008 and is based in Morwell Victoria, Australia.

The company's main focus is nbn™ (NBN) subscription plans and bundles to residential homes, small businesses, not-for-profits, corporate/enterprise and managed service providers.

As a licensed carrier, the company provides these services through a wholesale agreement with NBN Co, a mix of leased backhaul infrastructure from third parties and its own network equipment.

The company also offers a range of other telecommunications services including VoIP, mobile plans and handsets, entertainment bundles through its partnership with Fetch TV and connections through its own fibre, the OptiComm network and its white label platform.

With its acquisition of Over the Wire, the company is also a Tier 1 voice provider, and offers a range of tailored cloud, connect and collaborate solutions to business, government and enterprise customers.
