Letter from acting chairman

Dear dorsaVi shareholder

On behalf of the directors of dorsaVi, I am pleased to invite all eligible shareholders to participate in the 1 for 12 wholly underwritten non-renounceable rights offer described in this offer statement (**Offer**).

The shareholders of dorsaVi who may participate in the Offer (**eligible shareholders**) are those who have a registered address in Australia or New Zealand and who hold shares in dorsaVi at 7:00 pm (Melbourne time) on 3 August 2022.

Under the Offer, if fully subscribed, dorsaVi aims to raise approximately \$297,073 from the issue of up to 29,707,338 new ordinary shares. Once all of the expenses associated with the Offer have been met, dorsaVi intends to use the balance of the money raised for general working capital purposes, as well as to support the commercialisation of new products in key markets, accelerate the conversion of the sales pipeline and for ongoing product development and enhancement.

The Offer will be fully underwritten and the terms of this underwriting are set out below. I have personally agreed to be one of the underwriters, alongside Andrew Ronchi, Gina & Troy Super Pty Ltd as trustee for the G & T Super Fund (an entity associated with the Company's CFO, Troy Di Domenico), John Dyson and Tanarny Super Fund Pty Ltd as trustee the Tanarny Super Fund (an entity associated with the Company's CEO, Andrew Ronchi) (**Underwriters**).

A placement is also being made in connection with the Offer, and I am pleased to report that under the placement DVL has issued 40 million new shares to sophisticated and professional investors, at an issue price of \$0.01, raising an additional \$400,000. Shareholders issued shares under the placement will not be eligible to participate in the Offer in respect of those placement shares.

Details of your entitlement

A personalised entitlement and acceptance form accompanies this offer statement and, as an eligible shareholder, you are entitled under the terms of the Offer to use that form to subscribe for 1 new ordinary share in dorsaVi at a price of \$0.01 for every 12 fully paid ordinary shares in dorsaVi that you hold at 7:00pm Melbourne time on 3 August 2022. The price of \$0.01 per share represents a discount of 29% to the closing sale price on ASX of dorsaVi ordinary shares on 26 July 2022 of \$0.014 (being the last day shares in the Company were traded prior to the date of this offer statement), and a 12% discount to the 15 day volume weighted average price of \$0.0114.

Eligible shareholders who subscribe for their full entitlement will also have the opportunity to apply for additional shares in any shortfall at the same price of \$0.01 each. There is no guarantee of the number of shortfall shares (if any) that will be available to eligible shareholders and the allocation of those shortfall shares among applicants will be at the discretion of the board of directors of dorsaVi in accordance with the policy described in section 2.3 of this offer statement.

If after the shortfall has been allocated there are any shortfall shares remaining the Underwriters have agreed to subscribe for up to 29,707,338 shares at \$0.01 each to underwrite the Offer up to \$297,073.

To participate in the Offer, you will need to make the required payment in accordance with the instructions provided in the entitlement and acceptance form so that it is received by dorsaVi's share

registrar by **5:00pm Melbourne time on 19 August 2022**. Further details of how you may accept the offer are also set out in section 2 of this offer statement. To the extent that you do not take up your entitlement to participate in the Offer your percentage shareholding in dorsaVi will be diluted.

Further information

The new ordinary shares to be issued under the Offer will be issued on a fully paid basis and will rank equally from the date of their issue with the existing fully paid ordinary shares in dorsaVi.

As at the date of this letter, dorsaVi has received notification that the following directors and/or their related entities intend to subscribe in the following proportions:

- Michael Panaccio intends to fully subscribe for the entitlement allocated to shares held by Masto Pty Ltd as trustee for his superannuation fund.
- Andrew Ronchi intends to fully subscribe for the entitlement allocated to shares that he holds in his personal capacity, as well as the entitlement allocated to the shares held by AR BSM Pty Ltd as trustee for his trust, AR BSM Trust and the shares held by Tanarny Super Fund Pty Ltd as trustee for his superannuation fund, the Tanarny Super Fund.
- Caroline Elliott intends to fully subscribe for the entitlement allocated to shares held by Evinby Pty Ltd, a corporate entity controlled by her.

Further information about the Offer and your entitlement to participate in the offer is set out in this offer statement, which you should read in its entirety before deciding whether to participate in the Offer.

On behalf of the directors, I thank you for your continued support of dorsaVi and encourage you to carefully consider this investment opportunity.

Yours faithfully

A handwritten signature in black ink, appearing to read 'Panaccio', with a stylized flourish above the first part of the name.

Acting Chairman

1. Details of the Offer

1.1 The Offer

The Offer is a wholly underwritten non-renounceable rights offer of 1 new fully paid ordinary share in dorsaVi Ltd at \$0.01 per share for every 12 ordinary shares held by eligible shareholders at 7:00pm (Melbourne time) on 3 August 2022.

Fractional entitlements to new ordinary shares will be rounded up or down to the nearest whole number. Holdings of an eligible shareholder on different registers (or sub-registers) will be aggregated for the purpose of calculating entitlements.

Only those shareholders (**eligible shareholders**) with registered addresses in Australia or New Zealand are entitled to participate in the Offer and, accordingly, only those shareholders will be entitled to subscribe for new shares.

Eligible shareholders who take up their rights in full will not have their percentage shareholding in dorsaVi diluted as a result of the Offer. The percentage shareholding in dorsaVi of shareholders who do not take up all of their rights and of shareholders with registered addresses outside Australia and New Zealand will be diluted as a result of the issue of shares under the Offer to other shareholders who have taken up their rights.

1.2 Shortfall

It is a term of the Offer that if not all of the rights are taken up and there is consequently a shortfall (i.e. the difference between the total number of shares that could be issued under the Offer were all rights taken up in full and the total number of shares to be issued in consequence of the rights that are actually taken up), those eligible shareholders who subscribe for their full entitlement will also have the opportunity to apply for additional shares in the shortfall at the same price of \$0.01 per share. There is no guarantee of the number of shortfall shares (if any) that will be available to eligible shareholders and the allocation of those shortfall shares among applicants will be at the discretion of the board of directors of dorsaVi in accordance with the policy described in section 2.3 of this offer statement.

This shortfall opportunity is provided on the condition that additional shares may only be issued to applicants where the shares have first been offered to another eligible shareholder under the rights offer, but the offer to acquire those shares has not been accepted.

1.3 Underwriting

The Offer is fully underwritten by Michael Panaccio, John Dyson, Gina & Troy Super Pty Ltd as trustee for the G & T Super Fund, Andrew Ronchi and Tanarny Super Fund Pty Ltd as trustee for the Tanarny Super Fund (each an **Underwriter**) on the terms and conditions of an underwriting agreement with dorsaVi. This agreement provides that if there are shortfall shares referred to above which are not subscribed for under the Offer, the Underwriters will agree to subscribe for the shortfall shares left up to a maximum of 29,707,338 shares at \$0.01 per share for a total commitment of approximately \$297,073.

This person...	has agreed to underwrite the Offer up to this extent...	
	No. shares	Amount
Michael Panaccio	10,000,000	\$100,000
John Dyson	5,000,000	\$50,000

Gina & Troy Super Pty Ltd as trustee for the G & T Super Fund	2,000,000	\$20,000
Andrew Ronchi	5,000,000	\$50,000
Tanarny Super Fund Pty Ltd as trustee for the Tanarny Super Fund	7,707,338	\$77,073.38
TOTAL	29,707,338	\$297,073.38

The key terms of the underwriting arrangements are as follows:

- (a) If dorsaVi does not receive valid acceptances for all new shares under the Offer by the closing date, including from shareholders subscribing under the shortfall facility, each Underwriter must subscribe for up to the number of shares listed in the above table at \$0.01 per share, subject to the terms of the underwriting agreement.
- (b) The Underwriters have agreed not to charge any underwriting fees in relation to the Offer.

1.4 Discretions of the Directors to manage the Offer

Without limiting the other powers and discretions set out in this offer statement, the directors of dorsaVi (or their delegate for this purpose) may implement the Offer in the manner they think fit and settle any difficulty, anomaly or dispute which may arise either generally or in a particular case in connection with, or by reason of, the operation of the Offer or a matter in this offer statement, as they think fit, whether generally or in relation to any shareholder or any shares, and the determination of the directors (or their delegate) is conclusive and binding on all relevant shareholders and other persons to whom the determination relates.

Furthermore, if there is a shortfall under the Offer for any reason after applications from eligible shareholders for shares to which they are entitled together with additional shares in the shortfall and have been dealt with, then this has been fully underwritten on the terms set out above.

If dorsaVi receives applications for shortfall shares that would result in the Offer being oversubscribed then dorsaVi will not accept such oversubscriptions and will reject or scale back applications in a manner that the board determines will result in the eligible shareholders who applied for the shortfall shares being allocated the number of shortfall shares that best approximates a pro rata allocation of the shortfall shares by reference to their respective shareholding on the record date, provided that any such allocation will be in the ultimate discretion of the board and provided that no eligible shareholders are to be allocated more shortfall shares than they applied for.

1.5 Record date and entitlements

The record date for the purposes of the Offer is 3 August 2022 at 7:00pm (Melbourne time).

The number of new shares to which you are entitled is shown on the personalised entitlement and acceptance form accompanying this offer statement. Shares acquired on the Australian Securities Exchange operated by ASX before 3 August 2022 will be eligible to participate in the Offer. Shareholders wishing to apply for shortfall shares described in section 1.2 may do so by completing the relevant section of the entitlement and acceptance form.

1.6 Opening and closing date for applications

The Offer opens for acceptances on 5 August 2022 and must be accepted by making the relevant payment by BPAY® in accordance with sections 2.2 and 2.3 by **5:00 pm (Melbourne time) on 19 August 2022**. This date may be varied without notice to shareholders, but only in accordance with the ASX Listing Rules. Payment by BPAY® as set out above will be deemed to be an acceptance of the Offer for the relevant number of new ordinary shares paid for in full.

1.7 Effect on share capital

If fully subscribed, the Offer will raise approximately \$297,073 (before expenses of the Offer) and result in the issue of approximately 29,707,338 new ordinary shares. This assumes that the total number of ordinary shares in dorsaVi currently on issue (being 356,488,052) does not change before the record date for the purposes of determining entitlements under the offer (e.g. due to the exercise of options).

There are currently 26,850,834 unquoted options on issue, each of which entitles the holder to subscribe for 1 ordinary share in dorsaVi. The various exercise prices of the options on issue are as follows:

Number of options	Exercise price
1,280,488	\$0.086
1,116,703	\$0.072
1,846,856	\$0.036
4,801,827	\$0.024
3,693,714	\$0.018
1,412,303	\$0.051
1,171,178	\$0.061
1,297,792	\$0.063
1,778,455	\$0.041
2,400,915	\$0.031
1,650,003	\$0.028
1,571,430	\$0.032
2,750,004	\$0.016
55,000	\$0.033
24,166	\$0.033

The terms of the options do not permit their holders to participate in the Offer, except by exercise of the options and thereby acquiring the underlying ordinary shares in dorsaVi before the record date for the Offer. However, the terms of the options do provide for an adjustment in their exercise price according to the formula in rule 6.22.2 of the ASX Listing Rules. The exercise price adjustment takes effect upon issue of the shares offered under the Offer and is, in part, dependent on the difference between the price under the Offer and the volume weighted average closing price of dorsaVi ordinary shares sold on ASX for the 5 trading days ending on the day before the 'ex date' for the Offer. Accordingly, that market price will be determined after the 'ex date' and if there is any change to the exercise price of any options in consequence, dorsaVi will notify ASX of the change in accordance with rule 3.11.2 of the ASX Listing Rules.

1.8 Purpose of Offer

The funds raised under the Offer (after payment of expenses in connection with the Offer) will be used for general working capital, as well as:

- (a) to support the commercialisation of new products in key markets;
- (b) to accelerate the conversion of the sales pipeline; and
- (c) for ongoing product development and enhancement.

1.9 Ineligible foreign shareholders

dorsaVi has decided that it is unreasonable to make offers under this offer statement to shareholders with registered addresses outside Australia and New Zealand having regard to the small number of these shareholders, the small number and value of the new shares these shareholders would be offered and the cost of complying with the legal and regulatory requirements in the relevant overseas jurisdictions.

No action has been taken to register or qualify the Offer, or the new shares to be issued under it, or otherwise permit the Offer to be made, in any jurisdiction outside Australia and New Zealand. In particular, the shares and rights have not been, and will not be, registered under the U.S. Securities Act 1933.

dorsaVi reserves the right to treat as valid any acceptance that appears to have been submitted by an ineligible foreign shareholder.

1.10 New Zealand securities law requirements

The Offer contained in this offer statement to eligible shareholders with registered addresses in New Zealand is made in reliance on the *Financial Markets Conduct Act 2013* and the *Financial Markets Conduct (Incidental Offers) Exemption Notice 2021*. Members of the public in New Zealand who are not existing shareholders of dorsaVi on the record date are not entitled to apply for any shares pursuant to this Offer.

1.11 Potential effect on control

The potential effect that the issue of the new ordinary shares under the Offer will have on the control of dorsaVi, and the consequences of that effect, will depend on a number of factors including the level of shareholder participation in the Offer, which shareholders participate, and the extent of any shortfall, which shareholders apply and are issued shares in any shortfall and the extent to which the proposed underwriting is required.

For example, if all eligible shareholders take up their rights, the issue of the new ordinary shares in that case would not be expected to have any material effect or consequence on the control of dorsaVi.

However, if one or more eligible shareholders do not take up their entitlements in full, and the Offer proceeds, there will be a dilutionary effect on those shareholders' proportional shareholdings in dorsaVi. Furthermore, other investors who participate to the maximum extent possible, including via subscribing for shortfall shares, could acquire a relevant interest in more than 20% of the issued voting shares in dorsaVi, which may have a material impact on the control of the company.

At the date of this offer statement, the two substantial shareholders in dorsaVi, Starfish Technology Fund II Nominees A Pty Ltd and Starfish Technology Fund II Nominees B Pty Ltd, have indicated that they do not currently intend to take up their entitlement under the Offer. Accordingly, dorsaVi does not believe that based on the information currently available to it there will be any substantial impact on control of the Company as a result of the Offer.

1.12 Application money

Application money received for new shares under the Offer will be held in a separate account by or on behalf of dorsaVi until those shares are issued. Any interest earned on application money will be applied against the costs of the Offer, with any balance being retained by dorsaVi. If the Offer does not proceed or is withdrawn for any reason, or if any shortfall shares

that are applied for by an eligible shareholder are not allocated to that shareholder, the application money will be returned in full as soon as reasonably practicable, without interest.

1.13 ASX quotation

Application will be made to ASX for the new shares offered under the rights offer to be granted official quotation.

1.14 Issue of new shares

It is expected that the issue of new ordinary shares will take place on 26 August 2022. Holding statements for the new shares will be dispatched after completion of the issue by dorsaVi's share registrar (for shareholdings on the company's issuer sponsored sub-register) or by ASX Settlement and Transfer Corporation Pty Ltd (for shareholdings that are broker sponsored under CHESS).

It is the responsibility of applicants to be sure of their respective holdings of new shares prior to trading in them. ***Applicants who sell shares before they receive their holding statements will do so at their own risk.***

1.15 Ranking of new shares

Once issued, the new shares will rank equally with all other ordinary shares then on issue.

1.16 Taxation

Shareholders should consult their own professional taxation advisers to obtain advice in relation to the taxation laws and regulations applicable to their personal circumstances. dorsaVi cannot, and does not, offer any advice to shareholders relating to the taxation implications for them participating in the Offer.

1.17 Risks

Investing in new shares in dorsaVi involves some risk. There are a number of factors, both specific to dorsaVi and of a general nature, which may affect the future operating and financial performance of dorsaVi and/or the value of your investment in dorsaVi. Some of these factors can be mitigated by appropriate commercial action. However, many are outside the control of dorsaVi, are dependent on the policies adopted and approaches taken by regulatory authorities, other market participants or cannot otherwise be mitigated. If you are unsure about subscribing for new shares in dorsaVi, you should first seek advice from your stockbroker, accountant, or financial or other professional adviser.

The new shares offered under this offer statement carry no guarantee in respect of profitability, dividends, return of capital or the price at which they may trade on ASX. The past performance of dorsaVi should not necessarily be considered a guide to the future performance of dorsaVi.

As with any equity investment, substantial fluctuations in the value of your investment may occur. This offer statement does not set out all the risks you may face in applying for, and holding, additional shares in dorsaVi.

1.18 Governing law

The Offer and the contracts arising due to acceptance of the Offer are governed by the law in force in Victoria, Australia.

2. How to apply by eligible shareholders

This section does not apply to shareholders with registered addresses outside Australia and New Zealand.

2.1 What you may do

The number of new shares which you are entitled to subscribe for under the Offer is shown on the accompanying entitlement and acceptance form. You may:

- (a) take up all of your rights and subscribe for all of the new shares to which you are entitled;
- (b) take up all of your rights and subscribe for all of the new shares to which you are entitled, and apply for additional shares in the shortfall, if there is one;
- (c) take up some of your rights and allow the balance to lapse; or
- (d) not take up any of your rights and allow them to lapse.

2.2 Taking up some or all of your rights

If you wish to take up some or all of your rights payment must be made by BPAY® in accordance with the instructions set out on the entitlement and acceptance form using the reference number shown on the form and must be made by 5:00 pm (Melbourne time) on 19 August 2022. The reference number is used to identify your holding. If you have multiple holdings you will also have multiple reference numbers. You must use the reference number shown on each entitlement and acceptance form to pay for each holding separately.

You do not need to lodge the entitlement and acceptance form.

Your BPAY® payment cannot be withdrawn.

If you take up only some of your rights, the balance of them will lapse.

2.3 Applying for shortfall shares

If you wish to take up all of your rights and apply for any shortfall shares, you may make the requisite additional payment through the BPAY® facility, by following the instructions for payment by BPAY® set out on the entitlement and acceptance form as noted in section 2.2 above.

You do not need to lodge the entitlement and acceptance form.

Your BPAY® payment cannot be withdrawn.

Allocation policy for shortfall

Shortfall shares will only be allocated and issued if all eligible shareholders do not apply for their full entitlement and the Offer is consequently undersubscribed. Allocation of any shortfall shares will be at the discretion of the board of directors of dorsaVi (or their delegate for this purpose) in accordance with the following policy:

- (a) If dorsaVi receives applications from eligible shareholders for shortfall shares that would not result in the Offer being oversubscribed then dorsaVi will, subject to the other terms of this policy, allocate those shortfall shares to the eligible shareholders who applied for them.
- (b) If dorsaVi receives applications for shortfall shares that would result in the Offer being oversubscribed then dorsaVi will not accept such oversubscriptions and will reject or scale back applications in a manner that the board determines will result in the eligible shareholders who applied for the shortfall shares being allocated the number of shortfall shares that best approximates a pro rata allocation of the shortfall shares by reference to

their respective shareholding on the record date, provided that any such allocation will be in the ultimate discretion of the board and provided that no eligible shareholders are to be allocated more shortfall shares than they applied for.

- (c) If, following allocation of shortfall shares, the Offer is not oversubscribed then dorsaVi will allocate the balance of those shortfall shares to the Underwriters in accordance with the terms of the underwriting agreement.
- (d) Shortfall and underwritten subscription shares will be issued at the same time as all other new shares are issued under the Offer.
- (e) dorsaVi will not allocate or issue shortfall or underwritten subscription shares where it is aware that to do so would result in a breach of the Corporations Act, the ASX Listing Rules or any other relevant legislation or law. Eligible shareholders wishing to apply for shortfall shares must consider whether the issue of the shortfall shares applied for would breach the Corporations Act or the ASX Listing Rules having regard to their own circumstances.
- (f) The directors of dorsaVi (or their delegate for this purpose) reserve the right if there are still shortfall shares that have not been applied for after the underwriting has occurred to place or otherwise issue them at their discretion (but at not less than the price under the Offer).

Return of surplus application money

Application money received but not applied towards subscriptions for shortfall shares will be refunded as soon as reasonably practicable following the allocation of the shortfall shares. No interest will be paid on application money held and returned.

2.4 Acceptance

Receipt of your payment will constitute acceptance in accordance with, and your agreement to, the terms of the Offer, including those set out in this offer statement.

You should note that dorsaVi is not required to issue any new shares to a person accepting the Offer under this offer statement unless payment is received via the BPAY® facility for the relevant number of new shares by 5:00 pm (Melbourne time) on **19 August 2022**.

By making payment via the BPAY® facility, the applicant is taken to have warranted to and for the benefit of dorsaVi that it is able to participate in the Offer without breaching any applicable law or regulation. Each applicant should seek professional advice before doing so if there is any doubt about this.

2.5 Allow rights to lapse

The rights to which you are entitled may be valuable. If you decide not to take up some or all of your rights, the rights not taken up will lapse. The rights are non-renounceable and may not be traded or assigned to any other person.

If you do not wish to exercise any of the rights, you are not required to do anything. In that case, the rights will lapse without any benefit to you.

2.6 Privacy

The BPAY® facility requires you to provide information that may be personal information for the purposes of the *Privacy Act 1988* (Cth). dorsaVi and its share registrar collect, hold and use personal information in order to assess applications for new shares under the Offer, service the needs of shareholders, provide facilities and services and to administer dorsaVi generally.

If you do not provide the information requested of you in the BPAY® facility, dorsaVi may not be able to process your acceptance form or administer your holding of shares appropriately.

By using the BPAY® facility, you agree that dorsaVi may use the information provided for the purposes set out above and may disclose it for those purposes to the share registrar and dorsaVi's related bodies corporate, agents, contractors and third party service providers, including mailing houses and professional advisers, and to ASX and other regulatory authorities.
