ABOUT KEYBRIDGE CAPITAL LIMITED (ASX: KBC)

KBC is an investment and financial services group with a diversified portfolio of listed and unlisted investments/loan assets including in private equity (US), life insurance (New Zealand), property and funds management sectors and substantial holdings (as at 31 July 2022) in WAM Active Limited (WAA), HHY Fund (ASX:HHY), Metgasco Ltd (ASX:MEL), Molopo Energy Limited and Yowie Group Ltd (ASX:YOW).

NOTES:

- (1) Net Asset Backing per share is based on Keybridge's total listed shares on issue and excludes 6 million unlisted shares currently issued under the Company's Executive Share Plan¹.
- (2) **Managed Funds** – Keybridge Management have adjusted its carrying value of RNY Property Trust down from 1.1c per unit to 0.57c per unit. Keybridge Management has formed the view that that the reduced value is appropriate based on the fund's current capital structure and prevailing market conditions.
- (3) **Molopo Energy Limited** – on 17 December 2021, Molopo advised (via its website) that it had settled a legal action against the former Molopo directors for A\$12 million. Keybridge has a number of concerns with this settlement, including Molopo's failure to give notice of the proposed settlement to Keybridge, as it was contractually obliged to do. Keybridge considers it likely that it will expend further capital on this investment before it achieves any recovery. Keybridge carries its investment in Molopo at nil and holds a 20% economic interest in the Company. Refer to www.molopoenergy.com for further information
- (4) **Loan Receivables – Insurance:** In September 2014, Keybridge invested NZ\$3.8m (A\$3.4m) (via NZ\$0.109m (10.13%) equity and NZ\$3.691m notes) into Foundation Life, to finance Foundation's acquisition of Tower Limited's life insurance business in New Zealand in 2014. Interest of 9%

pa is payable under the note, which is redeemable by noteholders in 50 years (May 2064) or by Foundation (from time to time).

- (5) **Loan Receivables – Property:** In September 2014, Keybridge took direct control of loans that were held in a fund (where Keybridge was the remaining sole lender) which invested in first ranking mortgage loans over commercial properties. Keybridge has registered mortgages over strata title lots comprising Conference Facilities at a Hotel located in Manly, Sydney as security for loans, which are owed by private companies (which are in liquidation).

As at 31 December 2021, the loan was carried (based on the Directors' judgement) at a valuation of A\$0.835m, after having regard to historical valuations conducted on the property. At month end, the loan was carried at A\$0.835m.

- (6) **Other Liabilities:** Keybridge Management have accrued a provision for A\$500,000 in costs, as a court has ordered the advance of such an amount in security of potential costs in the matter. Keybridge is seeking recovery of \$30 million in unpaid monies from Ben Thynne, Nathan Thynne and Grenville Thynne. Keybridge expects to recover this provision on successful prosecution of the matter.
