About Trajan

Trajan is a global developer and manufacturer of analytical and life sciences products and devices founded to have a positive impact on human wellbeing through scientific measurement. These products and solutions are used in the analysis of biological, food, and environmental samples. Trajan has a portfolio and pipeline of new technologies which support the move towards decentralised, personalised data-based healthcare.

Trajan is a global organisation of more than 650 people with seven manufacturing sites across the US, Australia, Europe, and Malaysia, and operations in Australia, the US, Asia, and Europe.
