PRINCIPAL ACTIVITIES

Keybridge is an investment and financial services group with a diversified portfolio of listed and unlisted investments/loan assets in the life insurance (New Zealand), property and funds management sectors and strategic holdings in Yowie Group Ltd (ASX:YOW), Metgasco Limited (ASX: MEL), WAM Active Limited (ASX: WAA), HHY Fund and Molopo Energy Limited.

Keybridge is a company limited by shares that was incorporated in New South Wales in June 1999 and has been listed on the Australian Securities Exchange (ASX) since December 1999 (ASX Code:KBC).

REVIEW AND RESULTS OF OPERATIONS

Keybridge's principal activities during the year were management of its portfolio of listed and unlisted investments/loan assets.

FINANCIAL RESULTS FOR THE YEAR

The loss of the Consolidated Entity for the financial year ended 30 June 2022 after providing for income tax was \$(753,902) (2021: profit \$2.93 million). Total revenue amounted to \$484.57 million (2021: \$71.27 million).

Keybridge paid no ordinary dividends nor any interest distributions on the CRPN for the current financial year.

Keybridge has also been reviewing prospective claims it has with a number of third parties that may result in beneficial recoveries for Keybridge in the future. Keybridge Management has accrued a provision for A\$500,000 in costs, as a court has ordered the advance of such an amount in security of potential costs in the matter. Keybridge is seeking recovery of \$30 million in unpaid monies from Ben Thynne, Nathan Thynne and Grenville Thynne. Keybridge expects to recover this provision on successful prosecution of the matter.

STRATEGY FUTURE OUTLOOK

Keybridge intends to continue its investment activities in future years. The results of these investment activities depend upon the performance of the underlying investee entities/loan counterparties and securities in which Keybridge invests. The investments' performances depend on many economic factors and also industry and investee/counterparty-specific issues. In the opinion of the Directors, it is not possible or appropriate to make a prediction on the future course of markets, the performance of Keybridge's investments or forecast the likely results of Keybridge's activities.

DIVIDENDS

The Directors have not determined to pay a final dividend.

SIGNIFICANT CHANGES IN STATE OF AFFAIRS

Keybridge engaged in various arbitrage trading in the cryptocurrency market. The Company turned over \$483,692,435 for a net profit of \$1,231,351. The structure of the trading did not expose Keybridge to any material market pricing risk over the period.

MATTERS SUBSEQUENT TO THE END OF THE FINANCIAL YEAR

Keybridge notes that since balance date, RNY's lender has commenced action to sell the underlying properties in the portfolio via a UCC sale or via other mechanisms through the courts. RNY denies that the lender has any legal right to do so and is contesting any sale. Notwithstanding the above, Keybridge considers that its carrying value of RNY continues to be appropriate, having already impaired it investment during the year.

No other matters or circumstances have arisen since 30 June 2022 that have significantly affected, or may affect:

- (i) the operations of the Company in future financial years; or
- (ii) the results of those operations in future financial years; or
- (iii) the state of affairs of the Company in future financial years
