

## ASX ANNOUNCEMENT

21 September 2022

### FY23 Trading Update

- Strong growth continues; QTD revenue reaches \$1.41m
- New record quarter with 8 trading days to go

Microbiome health company **Biome Australia Limited** (ASX: BIO) ('Biome' or 'the company') is pleased to announce a FY23 trading update.

#### Sales

Sales revenue growth continues to accelerate in Q1 FY23, driven by Biome's Activated Probiotics® in both pharmacy and independent practitioner sales channels. Biome recorded quarter-to-date net sales of \$1.41 million at 19 September, up from \$1.39m in June quarter, with eight trading days remaining.

The company looks forward to providing the complete September quarter sales result in the first week of October.

Biome Australia develops, licenses, commercialises and markets innovative, evidence-based live biotherapeutics (probiotics) and complementary medicines, many of which are supported by clinical research. Biome aims to improve health outcomes and quality of life, and make its products accessible to all.

Biome distributes its products in Australia, New Zealand and the United Kingdom. In partnership with some of the world's leading organisations in microbiome research and development, Biome has developed a range of unique live biotherapeutic (probiotic) products with innovative delivery technologies that improve their stability and efficacy to create its flagship range of complementary medicines: Activated Probiotics®.

Supported by clinical research, including randomised double-blind placebo-controlled trials, Activated Probiotics help prevent and support the management of various health concerns, including low mood and sleep, bone health, iron malabsorption, mild eczema and IBS. Through practitioner-only distribution, Biome is committed to educating health professionals on the newfound systemic health effects of the gut microbiota, helping them to provide innovative, evidence-based natural medicines for the management of some of humanity's most prevalent and chronic health concerns.

Biome also develops, licenses and distributes a scientifically formulated, organic nutraceutical range, Activated Nutrients® and a sports performance and recovery range, Activated X Performance®, which is made exclusively for professional athletes.
