Voting Exclusion Statement

Item 2

In accordance with section 250R(4) of the Corporations Act, the Company will disregard any votes cast on the resolution in Item 2 by or on behalf of:

- a) a member of the KMP, details of whose remuneration are included in the Remuneration Report and any Closely Related Party of such a member, regardless of the capacity in which the votes are cast; or
- b) a proxy of a member of the KMP or a KMP's Closely Related Party.

However, this does not apply to a vote cast in favour of a resolution on Item 2 by:

- a person as proxy for a person who is entitled to vote on the resolution on Item 2, in accordance with the directions as to how to vote provided by that person on the proxy form; or
- the Chair, as proxy for a person who is entitled to vote on the resolution on Item 2, in accordance with an express authorisation to vote undirected proxies as the Chair sees fit, despite the fact that Item 2 is

connected directly or indirectly with the remuneration of the Company's KMP.

Item 5 – Issue of Rights to Managing Director

The Company will disregard any votes cast in favour of Item 5 by or on behalf of:

- a) a person referred to in rule 10.14.1, 10.14.2 or 10.14.3 who is eligible to participate in the Incentive Plan; or

However, this does not apply to a vote cast in favour of Item 5 by:

- the Chair of the meeting as proxy or attorney for a person who is entitled to vote on the Resolution, in accordance with a direction given to the Chair to vote on the Resolution as the Chair decides; or

 - ii. a closely related party of a member of the Company's KMP; and
- b) the appointment does not specify the way the proxy is to vote on the resolution.

Definitions

Words that are defined in the Glossary have the same meaning when used in this Notice unless the context requires, or the definitions in the Glossary provide, otherwise.

Proxies

Generally:

- if proxy holders vote, they must cast all directed proxies as directed; and
- any directed proxies which are not voted will automatically default to the Chair of the Meeting, who must vote the proxies as directed.

Proxy vote if appointment specifies way to vote

An appointment of a proxy may specify the way the proxy is to vote on a resolution and, if it does:

- if the proxy is the Chair of the meeting at which the resolution is voted on, the proxy must vote on a poll, and must vote that way (i.e. as directed); and
- if the Proxy is not the Chair of the Meeting, the proxy need not vote on the poll, but if the proxy

does so, the proxy must vote that way (i.e. as directed).

Transfer of non-chair proxy to chair in certain circumstances

If:

- an appointment of a proxy specifies the way the proxy is to vote on a resolution at a meeting of the Company's members;
- the appointed proxy is not the Chair of the meeting;
- at the Meeting, a poll is duly demanded on the resolution; and
- either of the following applies:
 - the proxy is not recorded as attending the meeting; or
 - the proxy attends the meeting but does not vote on the resolution,

the Chair of the meeting is taken, before voting on the resolution closes, to have been appointed as the proxy for the purposes of voting on the resolution at that meeting.

Explanatory Notes on the Items of Business

This information forms part of the Notice of Meeting.

AGM Considerations and Shareholder Questions

A discussion will be held on all items to be considered at the AGM.

All Shareholders and proxy holders will have a reasonable opportunity to ask questions in writing and in orally during the AGM in person or via the online platform. More detailed information on how to ask questions during the meeting is provided in the Online Platform Guide available at www.computershare.com.au/virtualmeetingguide and on our website at www.mmsg.com.au.

To ensure that as many Shareholders as possible have the opportunity to participate, Shareholders are requested to observe the following:

- all Shareholder questions should be written clearly and should be relevant to the business of the AGM, including matters arising from the Financial Report, Directors' Report (including the Remuneration Report) and Independent Audit Report, and general questions about the performance, business or management of the Company;
- if a Shareholder has more than one question on an item, all questions should be asked at the one time; and
- Shareholders should not ask questions at the AGM regarding personal matters or those that are commercial in confidence.

Shareholders are encouraged to submit questions to the Company or its auditor (via the Company) in advance of the AGM by completing a Shareholder Question Form. Please follow the instructions on the Shareholder Question Form for information on how the Shareholder Question Form can be submitted to the Company. To allow time to collate questions and prepare answers, submitted written questions need to be received by no later than 5.00pm (Melbourne time) on 21 October 2022.

The Chair will endeavour to address as many of the more frequently raised questions as possible during the meeting. Please note that individual responses will not be sent to Shareholders.

Item 1: Financial reports

Under section 317 of the Corporations Act, the Financial Report, Directors' Report and Independent Audit Report of the Company in respect of the 2022 financial year will be laid before the meeting.

There is no requirement for a formal resolution on this item of business. Shareholders will, however, be given the opportunity to raise questions or comments on the reports at the meeting.

The reports are available on the Company's website, www.mmsg.com.au.

Item 2: Adoption of Remuneration Report

Under section 250R(2) of the Corporations Act, a resolution must be put to the Shareholders that the Remuneration Report be adopted. The vote on this resolution is advisory only and does not bind the Directors or the Company. The Board will, however, take the outcome of the vote into consideration when reviewing the remuneration practices and policies of the Company.

The Remuneration Report is set out in the Company's 2022 Annual Report and:

- explains the Board's policies in relation to the nature and level of remuneration paid to KMP;
- discusses the link between the Board's remuneration policies and the Company's performance;
- provides a summary of performance conditions applicable to KMP, explaining why they were chosen and how performance is measured against them;
- sets out remuneration details for each KMP; and
- makes clear that the basis of remunerating non-executive Directors is distinct from the basis for remunerating Executive KMP, including the Chief Executive Officer.

A reasonable opportunity will be provided to the members to ask questions in writing and orally on the Remuneration Report at the meeting.

If at least 25% of the votes cast on the resolution to adopt the Remuneration Report are against adoption of the report at the Meeting (subject to this Notice of Meeting), then:

- if comments are made on the report at the Annual General Meeting, the Company's Remuneration Report for FY23 will be required to include an explanation of the Board's proposed action in response or, if no action is proposed, the Board's reasons for this; and
- if, at the Company's 2023 Annual General Meeting, at least 25% of the votes cast on the resolution for adoption of the Remuneration Report for the relevant financial year are against its adoption, the Company will be required to put to Shareholders a resolution proposing that a general meeting (**Spill Meeting**) be called to consider the election of Directors of the Company (**Spill Resolution**). The Spill Meeting must be held within 90 days of the date of the 2023 Annual General Meeting. For any Spill Resolution to be passed, more than 50% of the votes cast on the resolution must be in favour of it. If a Spill Resolution is passed, all the Directors (other than any Managing Director) will cease to hold office immediately before the end of the Spill Meeting unless re-elected at that meeting.

Noting that each Director has a personal interest in their remuneration from the Company, as described in the Remuneration Report, the Board unanimously recommends that the Shareholders vote in favour of adopting the Remuneration Report.

Item 3: Re-election of Director retiring by rotation under the Constitution of the Company

Rule 20.2 of the Constitution requires one third of the Directors to retire from office at each Annual General Meeting. The Directors that have been in office the longest since their last election must retire and are eligible for re-election to the Board at the meeting. Ms Helen Kurincic is retiring by rotation at this meeting and, in accordance with the Constitution, is offering herself for re-election.

Helen Kurincic
MBA, FAICD, FGIA

Ms Kurincic is Non-Executive Chair of Integral Diagnostics Limited, Non-Executive Director of Estia Health Limited, HBF Health Limited and the Victorian Clinical Genetics Service. Formerly, Ms Kurincic was the Chief Operating Officer and Director of Genesis Care from its earliest inception, creating and developing the first and largest radiation oncology and cardiology business across Australia. She has also formerly held Board roles across the publicly listed, private, not-for-profit and government sectors as well as being the former CEO of Benetas and Heart Care Victoria.

Ms Kurincic is a Fellow of the Australian Institute of Company Directors and Governance Institute of Australia. She has also completed the Cambridge Institute for Sustainability Leadership NED Programme.

Ms Kurincic is considered an independent Director under the Company's definition of independence.

Directors' Recommendation

The Directors (excluding Ms Kurincic) unanimously recommend that the Shareholders vote in favour of this Resolution.

Item 4: Re-election of Director retiring by rotation under the Constitution of the Company

Mr John Bennetts is also retiring by rotation under rule 20.2 of the Constitution at this meeting and, in accordance with the Constitution, is offering himself for re-election.

John Bennetts
B Ec, LLB

Mr Bennetts is an experienced investor and has been the founder and director of a number of successful Australian companies. He owns businesses in varied industries including technology and finance. Mr Bennetts is a Non-Executive Director of Sacred Heart Mission. He was a founder of Cellestis Limited and private equity investment firm, Mooroolbark Investments Pty Limited (M-Group). He has also provided corporate advisory services to a range of companies in Australia and Asia. Prior to the establishment of M-Group, he was a senior executive of pioneering Australian multinational IT company, Datacraft Limited and also practised as a commercial lawyer.

Mr Bennetts is not considered an independent Director under the Company's definition of independence. The Board is comprised of a majority independent Non-Executive Directors. The Board supports the recommendation given Mr Bennetts's long term alignment, corporate memory, industry knowledge and new business investment skills.

Directors' Recommendation

The Directors (excluding Mr Bennetts) unanimously recommend that the Shareholders vote in favour of this Resolution.

Item 5: Issue of Rights to Managing Director

Background

During FY22, the Board's People, Culture and Remuneration Committee (PCRC) conducted a review of the remuneration framework and a decision was made in line with contemporary practice to introduce a short term incentive program (STIP) to attract talent whilst retaining alignment with our executive remuneration framework. The STIP will operate in addition to the Long-Term Incentive Plan (LTIP).

The FY23 remuneration structure is summarised as follows:

- Fixed annual remuneration (base salary plus superannuation plus allowances) is unchanged;
- A STIP will be part delivered in cash following a one year performance period and part delivered in Rights following a one year service based deferral. An annual scorecard will apply comprising shareholder, strategy, customer and people targets; and
- LTIP will be an annual grant of performance rights with a single three year performance window set at the beginning of year one and measured at the end of year three (targets relate to EPS and ROCE).

As announced on 17 March 2022, under the terms and conditions of employment with the Company Mr De Luca's remuneration will be paid partly in Rights and partly in cash with the Rights component subject to shareholder approval. The proposed issue of Rights is pursuant to the McMillan Shakespeare Limited Executive Incentive Plan formerly called the Long Term Incentive Plan (Incentive Plan).

The total value of the Rights to be awarded to Mr De Luca in FY23 of \$1,002,151.04 represents a face value of 125% of his fixed salary. The face value of \$1,002,151.04 is divided by the five-day volume weighted average MMS share price (VWAP) up to 30 June 2022 of \$9.68 to determine the number of Rights (subject to rounding).

As a result, the Company proposes to issue 103,528 Rights to Mr De Luca as incentive-based remuneration on the terms set out below. The Rights will be issued under and subject to the rules of the Company's Incentive Plan as amended in 2021.

If Item 5 is approved by Shareholders, the Board intends to issue the Rights to Mr De Luca as soon as reasonably practicable following the Annual General Meeting and in any event, not later than one month from the date of the meeting. A summary of the key terms of the Incentive Plan is set out in Annexure A, and a copy of the rules of the Incentive Plan is available upon request from the Company.

Approval of acquisition of Rights under ASX Listing Rule 10.14

As Mr De Luca is a Director, the approval of Shareholders is required for him to participate in the Incentive Plan. In particular, ASX Listing Rule 10.14 requires Shareholder approval for Mr De Luca to participate in an employee share plan under which he acquires, or may acquire, equity securities in the Company.

Accordingly, the Company seeks the approval of Shareholders in respect of the proposed issue of the Rights (and the issue of new shares or acquisition of shares on market on vesting of the Rights) to Mr De Luca on the terms and conditions set out below.

Vesting Conditions for Rights

The Rights offer to be made to Mr De Luca under the LTIP will be subject to certain vesting conditions in addition to a condition of on-going employment. They will be offered for nil consideration that vest after three years on the terms as set out in the LTIP Financial Metric table below

CEO LTIP Financial Metric

Metric	Percentage of Total Under the Tranche (Number of Rights)	0% Vesting ⁽¹⁾	50% - 100% Vesting⁽¹⁾
3 Year EPS CAGR (based on Normalised performance as applicable)	50% (41,411)	<7%	Between 7% and 12%
3 Year Average ROCE (based on Normalised performance as applicable)	50% (41,411)	<36%	Between 36% and 40%

Conversion of Rights is subject to Mr De Luca's continued employment with the Company as at the date of lodgement of the Company's financial statements with ASX for FY25.

The Rights offer of 20,706 to be made to Mr De Luca under the STIP will be subject to certain vesting conditions in addition to a condition of on-going employment. They will be offered for nil consideration that vest following a one-year service based deferral. An annual scorecard will apply an appropriate mix of financial and non financial metrics.

Other Information required under LR 10.15

- The Company will not apply to the ASX for official quotation of the Rights granted under the Incentive Plan.
- To date the former CEO and Managing Director, Mike Salisbury is the only person referred to in LR 10.14 who has received securities under the Incentive Plan. The Company advises following shareholder approval that it has issued to Mr Salisbury 242,439 Performance Options (242,439 have lapsed), 124,789 Performance Rights (98,848 have lapsed) and 175,494 Indeterminate Rights (85,341 have lapsed).
- Shares issued pursuant to the vesting of Rights will rank equally with Shares then on issue. The Board has the discretion to settle the Rights by way of Shares or a cash equivalent payment.
- The Company has the flexibility to issue new shares or to purchase shares on-market for allocation to Mr De Luca on vesting of Rights.
- There is no proposed loan scheme in relation to the Rights or the Incentive Plan.
- Any dealing in Shares is subject to the constraints of Australian insider trading laws and the Company's Securities Trading Policy. Participants are specifically prohibited from hedging their Company share price exposure in respect of their Rights during the vesting period.
- Any funds raised on the exercise of Performance Options will be applied to the Company's working capital.
- There is no exercise price payable by the CEO and Managing Director to exercise the Performance Rights once they have vested and the expiry date will be 5 years from the date of issue.
- Details of the Rights granted to Mr Roberto De Luca will be provided in the Remuneration Reports for FY23, FY24 and FY25.
- Mr De Luca's actual total cost to the Company of remuneration for FY22 was \$86,531 comprising (cash salary, annual leave, other benefits, superannuation and long service leave). Further details on Mr De Luca's total annual remuneration package for FY22 are set out in the Company's FY22 Remuneration Report. Mr De Luca's total remuneration package for FY23 will be \$2,004,306.04 comprising of fixed remuneration, STIP and LTIP.
- Details of any securities issued to Mr De Luca under the Incentive Plan will be published in the Company's Annual Report, along with a statement that approval for the issue was obtained under Listing Rule 10.14. No additional persons covered by Listing Rule 10.14 will participate in the Incentive Plan without Shareholder approval being first obtained.

The Board believes that it is in Shareholders' best interests to provide the CEO and Managing Director with an incentive to ensure there is significant alignment between returns for Shareholders and the rewards for the CEO and Managing Director by linking an appropriate part of his remuneration to the generation of long

term returns for Shareholders.

If Shareholders do not approve the proposed grant of Rights to Mr De Luca, the Board will instead seek to negotiate alternative long-term incentives to the value of the proposed grant with Mr De Luca. Any alternate long-term incentives granted will be subject to performance hurdles.

Directors' Recommendation

The Directors (excluding Mr De Luca, who has an interest in the matter) recommend that Shareholders vote in favour of Item 5.

Item 6: Renewal of proportional takeover provisions

Summary of the proposal

It is proposed that the Constitution be amended to refresh the operation of the proportional takeover provisions in Rule 13.

The Constitution includes proportional takeover approval provisions which enables the Company to refuse to register Shares acquired under a proportional takeover bid unless a resolution was passed by Shareholders in a general meeting approving the offer. In accordance with section 648G(1) of the Corporations Act, Rule 13 will cease to have effect on the third anniversary of the date of its adoption, being 22 October 2019.

The Company seeks Shareholder approval to renew these provisions in the Constitution again. As a consequence, the Corporations Act required the Company to provide Shareholders with an explanation of the proposed proportional takeover approval provisions as set out below so that Shareholders may make an informed decision on whether to support or oppose the resolution. The Corporations Act requires that such a resolution be passed as a special resolution and, accordingly, it requires at least 75% of the votes cast by Shareholders entitled to vote on the resolution to be in favour.

What is a proportional takeover bid and why do we need the proportional takeover provisions?

A proportional takeover bid is a takeover offer sent to all Shareholders, but only in respect of a specified proportion of each Shareholder's Shares. Accordingly, if a Shareholder accepts in full the offer under a proportional takeover bid, the Shareholder will dispose of the specified proportion of their Shares in the Company and retain the balance of the Shares.

As a proportional takeover bid involves an offer for only a proportion of each Shareholder's Shares, a bidder may acquire control of the Company:

- without Shareholders having a chance to sell all their Shares, leaving them as part of a minority interest in the Company; and
- without payment of an adequate control premium.

Proportional takeover provisions are designed to assist Shareholders to receive proper value for their Shares if a proportional takeover bid is made for the Company. They reduce the risk that a bidder will obtain control without adequately compensating Shareholders to decide collectively whether a proportional takeover bid is acceptable and appropriately priced.

Effect of proportional takeover provisions

Rule 13 of the Constitution requires that, if a proportional takeover bid is made, the Directors must convene a meeting of Shareholders to vote on a resolution to approve the bid more than 14 days before the bid period closes. Rule 13 does not apply to full takeover offers.

Rule 13 provides that the vote is decided on a simple majority of votes at the meeting, excluding votes by the bidder and its associates. If no resolution to approve the bid has been voted on in accordance with Rule

13 as at the end of the 14th day before the bid period closes, a resolution approving the bid will be deemed by the Corporations Act to have been passed, thereby allowing the bid to proceed.

If a resolution to approve the bid is rejected, binding acceptances are required to be rescinded, and all unaccepted offers and offers failing to result in binding contracts are taken to be withdrawn.

If the resolution is approved, the relevant transfers of Shares will be registered, provided they comply with the other provisions of the Constitution and otherwise with the Corporations Act.

Reasons for proposing renewal of Rule 13

The Directors consider that Shareholders should have the opportunity to vote on a proposed proportional takeover bid. A proportional takeover bid for the Company may enable control of the Company to be acquired by a party holding less than a majority interest and without Shareholders having the opportunity to dispose of all of their Shares. This may mean that Shareholders could be at risk of being left as part of a minority interest in the Company. Rule 13, if renewed, would enable Shareholders to decide collectively whether a proportional takeover bid should be permitted to proceed.

Present acquisition proposals

At the date of this Explanatory Statement, no Director is aware of any proposal by any person to acquire, or to increase the extent of, a substantial interest in the Company.

Potential advantages and disadvantages of renewal of Rule 13

The Directors consider that there are no such advantages or disadvantages for them as they remain free to make a recommendation on whether a proportional takeover bid should be accepted. The renewal of the rule will ensure that all Shareholders continue to have opportunity to study a proportional takeover bid, if made, and then attend or be represented by proxy at a meeting called specifically to vote on the proposal.

A majority of Shares voted at the meeting, excluding the Shares of the bidder and its associates, will be required for the resolution to be passed, following which Shareholders will be able to decide whether to accept the bid which may result in a change of control of the Company. This will enable Shareholders to prevent a proportional takeover bid proceeding if they believe that control of the Company should not be permitted to pass under the bid and, accordingly, the terms of any future proportional takeover bid are likely to be structured in a manner that is attractive to a majority of Shareholders.

It may be argued that the refreshing of Rule 13 reduces the possibility of a successful proportional takeover bid and that, as a result, proportional takeover bids for the Company will be discouraged. This, in turn, may reduce opportunities that Shareholders may have to sell some of their Shares at an attractive price to persons seeking control of the Company and may reduce any 'takeover speculation' element in the Company's share price. It may also be said that the provisions constitute an additional restriction on the ability of individual Shareholders to deal freely with their Shares.

Recommendation

The Directors consider that refreshing the operation of Rule 13 is in the interests of Shareholders as it allows the majority of Shareholders to determine whether a proportional takeover bid should proceed. The Directors unanimously recommend that the Shareholders vote in favour of this resolution.

Item 7: Appointment of Auditor

Summary of the proposal

In accordance with section 327C of the Corporations Act, the Board appointed Ernst & Young as Auditor of the Company, subject to ASIC's consent to the resignation of Grant Thornton Audit Pty Ltd as Auditor of the Company under section 329(5) of the Corporations Act.

Following the appointment in accordance with section 327C(2) of the Corporations Act, an auditor who has been appointed under section 327C(1) of the Corporations Act only holds office until the company's next annual general meeting.

Pursuant to section 328B of the Corporations Act, the Company received a valid notice of nomination which nominated Ernst & Young to be appointed as the new auditor of the Company. A copy of the notice of nomination is set out in Annexure B of this Notice of Meeting.

Ernst & Young has provided the Company its written consent to act, subject to Shareholder approval being obtained, as the Company's auditor in accordance with section 328A(1) of the Corporations Act.

Accordingly, under this Resolution, Shareholder approval is being sought to appoint Ernst & Young as the auditor of the Company.

Directors' recommendation

The Directors recommend that Shareholders vote in favour of Item 7.

ANNEXURE A – SUMMARY OF THE KEY TERMS OF THE INCENTIVE PLAN

1. General

The Plan is intended to retain and motivate the Company's management team and provide strong alignment with Shareholder outcomes. Under the Plan, the Board has the discretion to offer Shares or grant Options, Performance Rights or Indeterminate Rights (Rights) to Eligible Employees (which includes executive Directors) of the Company or a related body corporate. An offer of shares may be accompanied by an offer of a loan (acquisition loan) from the Company or a related body corporate to acquire the shares. Note, there is no current proposal to offer loans under the Plan. Both Options and Rights give a participant in the Plan a right to acquire shares in the Company subject to the achievement of both time based and performance based vesting conditions, with Options requiring the payment of an exercise price to acquire the shares and a Right not requiring the payment of an exercise price. The Board has the discretion to amend the rules of the Plan (including respectively in respect of previous awards of shares, options, performance rights or Indeterminate Rights) but not so as to reduce the rights of participants, except where necessary to correct obvious errors or mistakes or to comply with legal requirements or where agreed by the participant. Awards under the Plan are made at the Board's discretion.

2. Eligibility

The rules allow for offers under the Plan to be made to any employee of the Company or a related body corporate, including executive directors, or such other person as the Board determines. However, it has been the case and it is currently intended to continue to be the case that participation in the Plan will only be offered to the Company's eligible employees including the Managing Director.

3. Issue of shares and grant of options, performance rights or Indeterminate Rights

Shares, Options, Performance Rights and Indeterminate Rights may be issued under the Plan subject to vesting conditions, including time and performance based hurdles. The Board determines the details of the vesting conditions attaching to Shares, Options and Rights under the Plan prior to offers of participation being made. Shares, Options or Rights will only vest (under normal circumstances) upon satisfaction of the time and performance-based vesting conditions. If those conditions are not met, Shares will be bought back or the Options or Rights will generally expire and not be capable of exercise. To be eligible for ASIC Class Order relief in respect of disclosure obligations, licensing, hawking, advertising and on-sale restrictions, only a nominal amount may be payable on the grant of options or performance rights offered under the Plan.

4. Delivery of shares

Shares in the Company will be delivered to participants upon exercise of vested options or the vesting of performance rights. The Company may deliver Shares by new issue or by purchasing Shares for transfer to participants. No exercise price is payable on the vesting of Rights.

5. Claw-Back Events

The Plan provides for the Claw-Back of Shares, Options or Rights offered under the plan in certain circumstances, including on the forfeiture of the Shares, Options or Rights.

6. Change of control

On a change of control of the Company, the board has discretion to waive the vesting conditions applicable to unvested options and performance rights, subject to such terms and conditions as it determines.

7. Plan limits

Issues of shares including on exercise of Options or Rights granted under the Plan will be subject to a cap of 5% of the issued share capital of the Company, inclusive of shares that may be issued under other employee incentive schemes of the Company for employees and non-executive directors, but disregarding offers made outside of Australia, made under a prospectus or other disclosure document or which do not require a disclosure document.

8. Expiry of Options and Rights and leaver treatment

Unless otherwise determined by the Board in its discretion, Options which have not been exercised and Rights which have not vested will expire and cease to exist on the expiry date specified at the date of grant, or upon the Board making a determination that the Options or Rights are to be forfeited.

If a Participant ceases to be employed by the Company or any of its subsidiaries, the treatment of its Options and Rights will depend on the circumstances of the Participant's departure as follows:

- a) If a Participant becomes a Good Leaver, unless the Board determines otherwise in its absolute discretion, the Participant:
 - (i) may retain their Vested Options and Vested Rights; and
 - (ii) may retain the Relevant Proportion of their Unvested Options and Unvested Rights (rounded up to the nearest whole Option and Right), and there will be no change to the terms and conditions applying to those retained Unvested Options and Unvested Rights unless the Board determines otherwise in its absolute discretion; and
 - (iii) must forfeit the Remaining Proportion of their Unvested Options and Unvested Rights.
- b) If a Participant becomes a Bad Leaver, unless the Board determines otherwise in its absolute discretion, the Participant:
 - (i) may retain their Vested Options and Vested Rights, provided that those Options and Rights must be exercised on or prior to the earlier of:
 - A. 5pm (Melbourne time) on the date that is 1 calendar month following the date that the Participant becomes a Bad Leaver; and
 - B. the expiry date set out in the terms and conditions specified at the Time of Grant; and
 - (ii) must forfeit all of their Unvested Options and Unvested Rights.

In all cases, the treatment of Securities granted under the Plan where a Participant becomes a Leaver is subject to Applicable Law, including in relation to the provision of termination benefits under Part 2D.2 Division 2 of the Corporations Act. The Board is not bound to exercise any discretion in connection with a Security granted under the Plan or provide any associated benefit in connection with a Participant becoming a Leaver to the extent that the amount of the benefit (together with all other relevant termination benefits) exceeds the amount that is permitted to be paid or given under the Corporations Act without member approval, if such relevant approval has not been obtained.

9. Restrictions on shares and forfeiture conditions

Shares, Options and Rights, and shares delivered on exercise, may be subject to claw-back or forfeiture (subject to lifting at the discretion of the Board) if a participant commits any act of fraud, defalcation or gross misconduct in relation to the Company or a related body corporate. In addition, the Board can decide, on the offer of Shares or the grant of Options or Rights under the Plan the circumstances under which the Shares, Options or Rights are to be forfeited in additional circumstances, such as the termination or cessation of employment. Shares delivered on exercise of Options or Rights may be subject to disposal restrictions in the form of a holding lock (subject to removal at the discretion of the Board).

10. Hedging economic exposure prohibited

Without limiting the prohibitions in Part 2D.7 of the Corporations Act (ban on hedging remuneration of key management personnel), the terms of the Plan prohibit entering into transactions or arrangements which limit the economic risk of participating in unvested entitlements under the Plan.

11. Use of Share Plan Trust

The Board may, in its discretion, use an employee share trust for the purposes of holding Shares (whether on an allocated or unallocated basis) and/or fulfilling awards made by the Company under the Plan on such terms and conditions as are determined by the Board from time to time. For the avoidance of doubt, the Company may do all things the Board considers necessary for the establishment, administration, operation and funding of an employee share trust.
