6. Voting Exclusion Statement:

Resolution 1

In accordance with sections 250R(4) and 250BD(1) of the Corporations Act, a vote must not be cast (in any capacity, including as a proxy), and the Company will disregard any votes purported to be cast, on this resolution by, or on behalf of, a member of the Key Management Personnel, details of whose remuneration are included in the remuneration report, or a Closely Related Party of such a member (**KMP voter**), unless the KMP voter is casting a vote on this resolution on behalf of a person who is not a KMP voter (including as a proxy) and either:

- (a) the KMP voter is appointed as a proxy by writing that specifies the way the proxy is to vote on the resolution; or
- (b) the KMP voter is the Chair of the meeting and the appointment of the Chair as proxy:
 - a. does not specify the way the proxy is to vote on the resolution; and
 - b. expressly authorises the chair to exercise the proxy even if the resolution is connected directly or indirectly with the remuneration of a member of the key management personnel for the Company or the consolidated entity.

If you appoint the Chairman as your proxy and you do not direct the Chairman how to vote, you will be expressly authorising the Chairman to exercise the proxy even if the relevant resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel for the Company.

If the Chair of the Meeting is appointed as a proxy for a person who is permitted to vote on Resolution 1, the Chair will vote any proxies which do not indicate on their Proxy Form the way the Chair must vote, in favour of Resolution 1. In exceptional circumstances, the Chair may change his or her voting intention on the Resolution, in which case an ASX announcement will be made. Shareholders may also choose to direct the Chair to vote against the Resolution or to abstain from voting.

If you purport to cast a vote other than as permitted above, that vote will be disregarded by the Company (as indicated above) and you may be liable for breaching the voting restrictions that apply to you under the Corporations Act.

Resolution 2

There are no voting exclusions on this resolution.

Resolution 3

The Company will disregard any votes cast in favour of this Resolution by or on behalf of any person who is referred to under ASX Listing Rules 10.14.1, 10.14.2 or 10.14.3 and is eligible to participate in the Equity Incentive Plan.

However, this does not apply to a vote cast in favour of the Resolution by:

- (a) a person as proxy or attorney for a person who is entitled to vote on the Resolution, in accordance with directions given to the proxy or attorney to vote on the Resolution in that way; or
- (b) the Chair as proxy or attorney for a person who is entitled to vote on the Resolution, in accordance with a direction given to the Chair to vote on the Resolution as the Chair decides; or

 - b. the holder votes on the Resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

However, a person described above (a "Restricted Voter") may cast a vote on any of Resolutions 1 or 3 as a proxy if:

- (a) The Restricted Voter is appointed as a proxy by writing that specifies the way the proxy is to vote on the resolution(s); and
- (b) The Chair is the Restricted Voter and the written appointment of the Chair as proxy does not specify the way the proxy is to vote on the resolution(s) or expressly authorises the Chair to exercise the proxy even though the resolution(s) is or are connected with the remuneration of a member of the Key Management Personnel.

EXPLANATORY STATEMENT

Purpose of Information

This Explanatory Statement (“**Statement**”) accompanies and forms part of the Company’s Notice of Annual General Meeting (“**Notice**”) for the 2022 Annual General Meeting (“**Meeting**”) to be held virtually via a webinar conferencing facility at 11.00am (AEDT) on Thursday, 10 November 2022.

The Notice incorporates, and should be read together, with this Statement

Receipt and consideration of Accounts & Reports

A copy of the Annual Report for the financial year ending 30 June 2022 which incorporates the Company's financial report, reports of the Directors (including the Remuneration Report and the auditors) is not enclosed as there is no longer a requirement for the Company to incur the printing and distribution costs associated with doing so for all shareholders. You may obtain a copy free of charge in hard copy form by contacting the Company by phone at +61 3 9650 9866, and you may request that this occurs on a standing basis for future years.

Alternatively, you may access the Annual Report at the Company's website www.3doil.com.au or via the Company's announcement platform on ASX under the ASX Code “TDO”. Except as set out in Resolution 1, no resolution is required on these reports.

Shareholders will have the opportunity to ask questions about or make comments on the 2022 Annual Report and the management of the Company. The auditor will be invited to attend, to answer questions about the audit of the Company’s 2022 Annual Financial Statements.

Resolution 1: Adoption of Remuneration Report

Background

Section 250R(2) of the Corporations Act requires that a resolution to adopt the Remuneration Report must be put to the vote at the Annual General Meeting. The vote on this Resolution is advisory only and does not bind the Directors or the Company.

The Remuneration Report is set out in the Directors’ Report in the Company’s 2022 Annual Report. The Remuneration Report sets out the Company’s remuneration arrangements for the Directors and senior management of the Company.

In accordance with Section 250SA of the Corporations Act 2001, Shareholders will be provided with a reasonable opportunity to ask questions concerning, or make comments on, the Remuneration Report at the Annual General Meeting.

In accordance with Division 9 of Part 2G.2 of the Corporations Act, if twenty five (25%) per cent or more of votes that are cast are voted against the adoption of the Remuneration Report at two consecutive Annual General Meetings, Shareholders will be required to vote at the second of those Annual General Meetings on a resolution (a “spill resolution”) that another meeting be held within 90 days at which all of the Company’s Directors (other than the Managing Director) must go up for re-election.

It is noted that at the Company’s last Annual General Meeting, the votes cast against the Remuneration Report represented less than twenty five (25%) per cent of the total votes cast and accordingly, a spill resolution will not under any circumstances be required for the Annual General Meeting.

The Directors will consider the outcome of the vote and comments made by Shareholders on the Remuneration Report at the Meeting when reviewing the Company’s remuneration policies.

Board Recommendation

Noting that each Director has a personal interest in their own remuneration from the Company (as such interests are described in the Remuneration Report) and, as described in the voting exclusions on this resolution (set out in the Notice of AGM), that each Director (or any Closely Related Party of a Director) is excluded from voting their shares on this resolution, the Directors unanimously recommend that shareholders vote in favour of Resolution 1 to adopt the Remuneration Report.

The Chair of the Meeting intends to vote undirected proxies in favour of this Resolution.

Voting Exclusions

Refer to note 6 for voting exclusions on this Resolution.

Resolution 2: Election of Mr Trevor Slater as a Director of the Company

Background

The Constitution of the Company and Listing Rule 14.4 set out that a Director (excluding the Managing Director) appointed to fill a casual vacancy or as an addition to the Board must not hold office without re-election past the next Annual General Meeting. Trevor Slater is retiring in accordance with these requirements and, being eligible, offers himself for re-election.

Trevor Slater holds a Bachelor of Business in Accounting, is a Fellow of CPA Australia, and a Fellow of the Governance Institute of Australia. He has extensive experience in the development and operations of resource and construction projects within Australia and overseas performing as a director or senior executive in ASX listed or unlisted companies for over 30 years. Formerly, Trevor operated as an executive director for a gas production and storage project in Bass Strait; and as country director and manager for oil and gas exploration projects in Brunei.

Trevor has also held senior roles in the development of oil and gas fields in the Timor Sea and consulted widely in South-East Asia. He has also been extensively involved in the development of significant resource projects including the Ballarat Gold Project where as CFO, he assisted the Company in its initial exploration programs and project development.

Board Recommendation

The Board (with Trevor Slater abstaining) recommends that shareholders vote in favour of the re-election of Trevor Slater.

The Chair of the Meeting intends to vote undirected proxies in favour of this Resolution.

Voting Exclusions

Refer to note 6 for voting exclusions on this Resolution.

Resolution 3: Approval to Grant Options to Mr Trevor Slater (or his nominee)

Background

Resolution 3 provides for a total of 185,185 unlisted options ("Director Options") to be granted to Mr Trevor Slater, Non-Executive Director of the Company (or his nominee) on the terms described below. The Director Options will be issued in accordance with the Equity Incentive Plan ("EIP") approved by Shareholders on 17 November 2020. The Options will align Mr Trevor Slater's interests with the interests of Shareholders. The grant of the Director Options (and the subsequent issue of Shares if the Director Options are exercised) to Mr Trevor Slater has been proposed as consideration in recognition of additional services provided to the Company in the last 6 months, and is a cost-effective form of remuneration when compared to the payment of cash consideration.

Terms of Options

Resolution 3 of this Notice provides for a total of 185,185 Director Options to be granted to Mr Trevor Slater on the following basis:

Number of Director Options	Vesting Conditions	Exercise Price	Expiry Date
185,185	Vesting immediately at grant	Nil	The Director Options will expire 3 years from the date of issue.

The Options will be exercised upon the Company's receipt of a valid exercise notice. Each Option entitles the holding Director to one ordinary fully paid Share in the Company. Prior to vesting and exercise, Options do not entitle holding Director to any dividends or voting rights.

Director Remuneration Package and Interests

At the date of this Notice, the details (including the amount) of the current total remuneration package of Mr Trevor Slater to who (or his nominee) Director Options would be issued if Resolution 3 is passed is:

Name of Director	Nature	Remuneration Package Details
Mr Trevor Slater	Non-Executive Director	\$45,000 per annum inclusive of statutory superannuation

The above does not include the proposed Director Options.

The Company has carried out an assessment of the indicative fair value of the Director Options as summarised below. The values are indicative only based on assumptions relevant at the date of the calculation, being 5 October 2022. Different assumptions may be relevant at grant date which may alter the value of the Director Options for financial reporting purposes. The total remuneration package in the above table would be increased for Mr Trevor Slater by the total set out in the following table, based on the assumptions. The final valuation amount will not be able to be calculated until the Director Options are issued, at which time the relevant assumptions may also have changed.

Assessment	Total
Indicative fair value per Option	\$0.053 (5.3 cents)
Number of Director Options	185,185
Total	\$9,815

The Director Options were valued using the Hoadley Binomial Tree Option model. The assumptions used in the valuation model were as follows:

Options series Assumptions	Director Options
Valuation Date [^]	10 November 2022
Spot Price (4 October 2022)	\$0.053 (5.3 cents)
Exercise Price	Nil
Vesting Date	Upon issue
Expiry Date	3 years after issue date
Expected future volatility ⁺	74.5%
Risk free rate	3.26%
Dividend Yield	Nil

[^] Based on the issue date being the valuation date.

⁺ In assessing the expected future volatility the historical volatility has been considered in the Company's shares over a 3 year trading period.

At the date of this Notice, Mr Trevor Slater, who is proposed to receive the Director Options, has the following direct and indirect interests in shares and/or options or performance rights in the Company:

Director/Shareholder associate(s)	(and/or)	Existing	
		Shares	%
Mr Trevor Slater		264,753	0.1%

Following the issue of Director Options, Mr Trevor Slater would hold 185,185 unquoted options.

If Mr Trevor were to exercise the Director Options (assuming there were no other issues of shares), the above percentage would increase as follows:

Director	Existing %	New %	Director Options (New)
Mr Trevor Slater	0.1%	0.17%	185,185

Corporations Act

Section 228 of the Corporations Act defines a “related party” for the purposes of Chapter 2E to include a Director of the public company. A “financial benefit” is defined in section 229 of the Corporations Act and includes granting a Option to a related party. Mr Slater is a Director of the Company and thus a related party for the purposes of Chapter 2E of the Corporations Act.

The Board has formed the view that the grant of Director Options to Mr Slater above, does not require Shareholder approval under section 208 of the Corporations Act as the grant constitute “reasonable remuneration” in accordance with section 211 of the Corporations Act. Accordingly, the Board is not seeking Shareholder approval under section 208 of the Corporations Act, although Shareholder approval must be obtained pursuant to Listing Rule 10.14.

In reaching this view, and consistent with the desire to minimise cash expenditures, the Board believes that having regard to the current market practices the Board considers that the proposed grant of Director Options aligns the interests of Mr Slater with the interests of Shareholders. The grant of Director Options to Mr Slater is a cost-effective form of remuneration when compared to the payment of cash consideration.

The Company believes it is appropriate to grant the Director Options to Mr Slater. Smaller entities with limited cash resources often elect to use equity instruments to remunerate directors to attract and retain high calibre individuals while minimising the cash cost of engaging those people.

Consistent with the desire to minimise cash expenditures, the Board believes that having regard to the current market practices, the Director Options provide an appropriate and meaningful remuneration component to Mr Slater that is aligned with Shareholder interests.

If Resolution 3 is passed and the Director Options are issued, Mr Trevor Slater will have a relevant interest as set out in the table above.

ASX Listing Rule 10.14

The Company is proposing to issue the Director Options under the EIP which is an employee incentive scheme as defined in the Listing Rules.

Listing Rule 10.14 provides that a listed company must not permit any of the following persons to acquire equity securities under an employee incentive scheme:

- 10.14.1: a director of the company;
- 10.14.2: an associate of a director of the company; or
- 10.14.3: a person whose relationship with the company or a person referred to in Listing Rule 10.14.1 or 10.14.2 is such that, in ASX’s opinion, the acquisition should be approved by its Shareholders,

unless it obtains the approval of its Shareholders.

The proposed issue of the Director Options falls within Listing Rules 10.14.1 and/or 10.14.2 above and therefore requires the approval of the Company’s Shareholders under Listing Rule 10.14.

Resolution 3 seeks the required Shareholder approval to the issue under and for the purposes of Listing Rule 10.14.

If Resolution 3 is passed, the Company will be able to proceed with the issue of the Director Options and Mr Trevor Slater (or his nominee) will receive the number of Director Options set out in the table above, with the increase in his remuneration and potential increase in his shareholding as described above.

If Resolution 3 is not passed, the Company will not be able to proceed with the issue of the Director Options to Mr Trevor Slater, and he (or his nominee) will not receive the Director Options or potential shareholdings as described above.

If approval is given under ASX Listing Rule 10.14 approval is not required under ASX Listing Rule 7.1.

The following information is given under ASX Listing Rule 10.15 in respect of the proposed issues of Director Options to Mr Trevor Slater under Resolution 3:

- (a) the proposed recipient is Mr Trevor Slater who is a Director of the Company, or his respective nominee (who would be an associate of Mr Trevor Slater);
- (b) approval for Mr Trevor Slater, is sought under ASX Listing Rule 10.14.1, being a Director of the Company;
- (c) A total of 185,185 Director Options are proposed to be issued to Mr Trevor Slater (or his nominee)
- (d) the current total remuneration package of Mr Trevor Slater, is set out on page 8, above;
- (e) a summary of the material terms of the Director Options are set out below and will, upon exercise, entitle the holder to one fully paid ordinary share in the Company.

	Director Options
Number	185,185
Exercise price	Nil
Vesting Conditions	Vesting immediately at grant
Expiry date	3 years from the date of issue

- (f) the Company is issuing options as a form of equity security as a cost effective, non-cash incentive to Mr Trevor Slater.
- (g) the value the Company attributes to the Director Options is set out on pages 8 above;
- (h) the entity expects to issue the Director Options within one month after the date of the meeting, and in any event, no later than 3 years after the date of the meeting;
- (i) the Options will be issued as remuneration. As such there is no issue price for the Options, and the Company will not receive cash from issue of the Options. In addition, the Company will not receive any cash on exercise, as the exercise price is Nil;
- (j) a summary of the material terms of the EIP is included in Annexure A;
- (k) no loans will be made to Mr Trevor Slater or his nominee in relation to the acquisition of the Options;
- (l) details of any securities issued under the EIP will be published in the annual report of the Company relating to the period in which they were issued, along with a statement that approval for the issue was obtained under Listing Rule 10.14;
- (m) any additional persons covered by Listing Rule 10.14 who become entitled to participate in an issue of securities under the EIP after Resolution 3 is approved and who are not named in this Notice and Statement will not participate until approval is obtained under that rule.

Director Recommendations

The Board (with Mr Trevor Slater abstaining) recommends that shareholders vote in favour of the issue of 185,185 Director Options to Mr Trevor Slater as described above.

The Chair of the meeting intends to vote undirected proxies in favour of this resolution.

Voting Exclusions

Refer to note 6 for voting exclusions on this Resolution.

Resolution 4: Approval of 10% Placement Facility

Background

The Company is seeking Shareholder approval by way of a special resolution to have the ability, if required, to issue equity securities under the 10% Placement Facility. The effect of this resolution is to allow the Directors to issue equity securities under Listing Rule 7.1A during the 10% Placement Period (as defined below) without, or in addition to, using the Company's 15% Capacity under Listing Rule 7.1.

ASX Listing Rules Information

Summary of Listing Rule 7.1A

Broadly speaking and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that the Company can issue without the approval of the Shareholders over any 12-month period to 15% of the fully paid ordinary shares it had on issue at the start of that period (**15% Capacity**).

Under Listing Rule 7.1A, however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% (**10% Placement Facility**) to 25%.

An 'eligible entity' for the purposes of Listing Rule 7.1A means an entity which is not included in the S&P/ASX 300 Index and which has a market capitalisation of \$300 million or less. The Company is, at the date of this Notice, an eligible entity for these purposes. Note however that if, on the date of the Meeting, the market capitalisation of the Company exceeds \$300 million or the Company has been included in the S&P/ASX 300 Index, then this Resolution will no longer be effective and will be withdrawn.

This Resolution seeks Shareholder approval by way of special resolution for the Company to have the additional 10% capacity provided for in Listing Rule 7.1A to issue equity securities without further Shareholder approval.

If this Resolution is passed, the Company will be able to issue equity securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If this Resolution is not passed, the Company will not be able to access the additional 10% Placement Facility to issue equity securities without Shareholder approval provided for in LR 7.1A and will remain subject to the 15% limit on issuing equity securities without Shareholder approval set out in Listing Rule 7.1.

Formula for Calculating the 10% Placement Facility – Listing Rule 7.1A.2

Listing Rule 7.1A.2 provides that eligible entities which have obtained shareholder approval at an Annual General Meeting may issue or agree to issue, during the 12-month period after the date of the Annual General Meeting, a number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

- A** is the number of shares on issue at the commencement of the "relevant period" (which, for the Company, is the 12-month period immediately preceding the date of the issue or agreement:
- (A) plus the number of fully paid shares issued in the relevant period under an exception in Listing Rule 7.2, other than exception 9, 16 or 17;
 - (B) plus the number of fully paid shares issued in the relevant period on the conversion of convertible securities within rule 7.2 exception 9 where:

- (i) the convertible securities were issued or agreed to be issued before the commencement of the relevant period; or
 - (ii) the issue of, or agreement to issue, the convertible securities was approved, or taken under the Listing Rules to have been approved, under rule 7.1 or rule 7.4;
- (C) plus the number of fully paid shares issued in the relevant period under an agreement to issue securities within rule 7.2 exception 16 where:
- (i) the agreement was entered into before the commencement of the relevant period; or
 - (ii) the agreement or issue was approved, or taken under the Listing Rules to have been approved, under rule 7.1 or rule 7.4;
- (D) plus the number of fully paid shares issued in the relevant period with approval of holders of shares under Listing Rules 7.1 or 7.4.;
- (E) plus the number of partly paid shares that became fully paid in the relevant period;
- (F) less the number of fully paid shares cancelled in the relevant period.

Note that A has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the relevant period where the issue or agreement has not been subsequently approved by shareholders under Listing Rule 7.4.

The ability of an entity to issue equity securities under Listing Rule 7.1A is in addition to the entity's 15% Capacity under Listing Rule 7.1. The actual number of equity securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the equity securities in accordance with the formula stated above.

Type and Number of Equity Securities

Any equity securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of equity securities of the Company. The Company, as at the date of the Notice, has on issue the following class(es) of quoted equity securities:

ASX Security Code and Description	Total Number
TDO: ORDINARY FULLY PAID	265,188,372

Specific information required by Listing Rule 7.3A

Placement Period

The period for which the approval of the 10% Placement Facility will be valid (as set out in Listing Rule 7.1A.1) commences on the date of this Annual General Meeting and expires on the first to occur of the following:

- (a) the date that is 12 months after the date of this Annual General Meeting;
- (b) the time and date of the Company's next Annual General Meeting; and
- (c) the time and date of the approval by Shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).

(10% Placement Period).

The Company will only issue and allot the equity securities approved under the 10% Placement Facility during the 10% Placement Period.

Minimum Issue Price and Cash Consideration – Listing Rule 7.1A.3

The equity securities will be issued for cash consideration at an issue price of not less than 75% of the VWAP for the Company's equity securities in the same class calculated over the 15 trading days on which trades in that class were recorded immediately before:

- (a) the date on which the price at which the equity securities are to be issued is agreed by the Company and the recipient of the securities; or
- (b) if the equity securities are not issued within 10 trading days of the date in paragraph (a) above, the date on which the equity securities are issued.

Purposes of the Funds Raised

The purposes for which the funds raised by an issue under the 10% Placement Facility under rule 7.1A.2 may be used by the Company for the Company's current business and/or general working capital.

Risk of Economic and Voting Dilution

If this resolution is approved by Shareholders and the Company issues equity securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company will be diluted as shown in the dilution table below.

Shareholders may be exposed to economic risk and voting dilution, including the following:

- (a) the market price for the Company's equity securities may be significantly lower on the date of the issue of the equity securities than on the date of this Annual General Meeting; and
- (b) the equity securities may be issued at a price that is at a discount to the market price for the Company's equity securities on the issue date,

which may have an effect on the amount of funds raised by the issue of the equity securities.

The dilution table below shows the potential dilution of existing Shareholders on the basis of the market price of its quoted ordinary securities as at 3 October 2022 (**Current Share Price**) and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A.2 as at the date of this Notice of Meeting.

The dilution table also shows:

- (a) two examples where variable "A" has increased by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- (b) two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.

Dilution Table

Variable 'A' in Listing Rule 7.1A.2	Dilution Scenario	Assumed Issue Prices, based on:		
		50% decrease in Current Share Price \$0.0265	Current Share Price \$0.053	100% increase in Current Share Price \$0.106
Current Variable A 265,188,372 Shares	10% Voting Dilution	26,518,837 Shares		
	Funds raised	\$702,749	\$1,405,498	\$2,810,997

50% increase in current Variable A 397,782,558 Shares	10% Voting Dilution	39,778,256 Shares		
	Funds raised	\$1,054,124	\$2,108,248	\$4,216,495
100% increase in current Variable A 530,376,744 Shares	10% Voting Dilution	53,037,674 Shares		
	Funds raised	\$1,405,498	\$2,810,997	\$5,621,993

This dilution table has been prepared on the following assumptions:

- The Company issues the maximum number of equity securities available under the 10% Placement Facility;
- No convertible security is exercised and converted into ordinary securities before the date of the issue of the Equity Securities;
- The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Annual General Meeting.
- The table shows only the effect of issues of equity securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
- The issue of equity securities under the 10% Placement Facility consists only of ordinary securities. If the issue of Equity Securities includes Quoted Options, it is assumed that those Quoted Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
- The Current Share Price is \$0.053 being the closing market price of the ordinary securities on ASX on 3 October 2022.

Allocation Policy

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to relevant factors including, but not limited to, the following:

- the methods of raising funds that are available to the Company, including but not limited to, rights issues or other issues in which existing security holders can participate;
- the effect of the issue of the equity securities on the control of the Company;
- the financial situation and solvency of the Company; and
- advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice but may include existing substantial Shareholders, subject to compliance with Listing Rule 10.11, and/or new Shareholders who are not related parties or associates of a related party of the Company.

Previous Issues under Listing Rule 7.1A.2

Information about equity securities issued under Listing Rule 7.1A.2 in the 12-month period preceding the date of the Meeting is set out as follows:

- The Company has not issued or agreed to issue any Equity Securities under Listing Rule 7.1A.2 in the 12-month period preceding the date of this Meeting.

- (b) The Company had not agreed, before the 12-month period referred to in the preceding paragraph, to issue any Equity Securities under rule 7.1A.2 where such securities remain unissued as at the date of the Meeting.

Special Resolution

The ability to issue equity securities under the 10% Placement Facility is subject to Shareholder approval by way of a special resolution. This means it requires approval of 75% of the votes cast by Shareholders present or represented, and eligible to vote.

Directors Recommendation

The Directors of the Company believe that this Resolution is in the best interests of the Company and unanimously recommend that Shareholders vote in favour of this Resolution.

The Chair of the Meeting intends to vote undirected proxies in favour of this Resolution.

ANNEXURE A

Summary of material terms and conditions of the Equity Incentive Plan

A summary of material terms and conditions of the Company's EIP is set out below. For full details of the EIP, please refer to the rules themselves which are accessible on the Company's website at www.3doil.com.au/.

- The EIP sets out the framework for the offer of Shares, Options or Performance Rights by the Company, and is typical for a document of this nature.
- In making its decision to issue Shares, Options or Performance Rights, the Board may decide the number of securities and the vesting conditions which are to apply in respect of the securities. The Board has broad flexibility to issue Shares, Options or Performance Rights having regard to a range of potential vesting criteria and conditions.
- In certain circumstances, unvested Options or Performance Rights will immediately lapse and any unvested Shares held by the participant will be forfeited if the relevant person is a "bad leaver" as distinct from a "good leaver".
- If a participant acts fraudulently or dishonestly or is in breach of their obligations to the Company or its subsidiaries, the Board may determine that any unvested Performance Rights or Options held by the participant immediately lapse and that any unvested Shares held by the participant be forfeited.
- In certain circumstances, Shares, Performance Rights or Options can vest early, including following a change of control or other events of a similar nature. For the purposes of this rule, a relevant control event occurs in a number of scenarios in which a third party may acquire 50% or more of the Company's Shares.
- The total number of Shares that would be issued were each Option, Performance Right and Share under the EIP exercised or vested (as applicable), plus the number of Shares issued in the previous three years under the EIP, must not, at any time, exceed 5% of the total number of Company Shares on issue. Shares issued under the EIP will rank equally in all respects with other Shares and the Company must apply for the quotation of such Shares.
- The Board has discretion to impose restrictions (except to the extent prohibited by law or the ASX Listing Rules) on Shares issued or transferred to a participant on vesting of an Option or a Performance Right, and the Company may implement appropriate procedures to restrict a participant from so dealing in the Shares.
- In respect of vested Options or Performance Rights, if the Board becomes aware of an event which would have resulted in vesting criteria not being satisfied, such as a material misstatement in the Company's financial statements during the vesting period, any affected vested Options or Rights may be cancelled for no consideration.
- In the event of any reorganisation of the issued capital of the Company on, or prior to, the expiry of the Performance Rights or Options, the rights of the relevant security holder can be changed in the discretion of the Board, including to comply with the applicable ASX Listing Rules in force at the time of the reorganisation.
- The Board is granted a certain level of discretion under the EIP, including the power to amend the rules under which the EIP is governed and to waive vesting conditions, forfeiture conditions or disposal restrictions.
