

ASX Market Announcement

Bloomberg airs Genetic Technologies Business Update with CEO on RedChip Money Report ®

Melbourne, Australia, 14 October 2022: Genetic Technologies Limited (ASX: GTG; NASDAQ: GENE, “Company”, “GTG”), a global leader in guideline driven genomics-based tests in health, wellness and serious disease will be sharing a business update on The RedChip Money Report® on Bloomberg TV, this Saturday, October 15, at 7 p.m. Eastern Time (ET).

Interview highlights:

In the exclusive RedChip Money Report interview, Genetic Technologies Limited’s CEO Simon Morriss discusses the Company’s expanded portfolio of tests, global relationships and partnerships, revenue growth channels, reported five consecutive quarters of growth, and much more.

Simon also discusses the excellent progress that the team are making in the US Business to Business market. Leveraging the Company’s recently completed Budget Impact Model, GTG is targeting payers, insurers and employer groups demonstrating a clear improvement in health economics and, importantly in patient outcomes.

Bloomberg TV is available in an estimated 73 million homes across the U.S..
