

Expansion and Extension of Meta Work For Hire Agreement

PlaySide Studios Limited (ASX: PLY) (“PlaySide”) is pleased to announce an expansion and extension of its work-for-hire development agreement with **Meta Platforms, Inc.** This agreement has been extended by a further six months to December 2023, with an expansion of the scope of work performed under the agreement to take immediate effect.

This is the third extension and expansion of our work-for-hire agreement with Meta since our IPO, which we believe reflects our ability to continue to add value as a trusted development partner in the VR space.

With Meta Quest 2 helping to bring VR into the mainstream, and over US\$1.5bn spent on games and apps in the Quest Store, we look forward to ongoing collaboration with Meta as it remains at the frontier of this growing consumer trend.
