RESOLUTION 1: ADOPTION OF REMUNERATION REPORT***Background***

Section 250R(2) of the Corporations Act requires that a resolution to adopt the Remuneration Report must be put to the vote at the Annual General Meeting. The vote on this Resolution is advisory only and does not bind the Directors or the Company.

The Remuneration Report is set out in the Directors' Report in the Company's June 2022 Annual Report. The Remuneration Report sets out the Company's remuneration arrangements for the Directors and senior management of the Company.

In accordance with Section 250SA of the Corporations Act, Shareholders will be provided with a reasonable opportunity to ask questions concerning, or make comments on, the Remuneration Report at the Annual General Meeting.

The Directors will consider the outcome of the vote and comments made by Shareholders on the Remuneration Report at the Meeting when reviewing the Company's remuneration policies.

Board Recommendation

Noting that each Director has a personal interest in their own remuneration from the Company (as such interests are described in the Remuneration Report) and, as described in the voting exclusions on this resolution (set out in the Notice of Annual General Meeting), that each Director (or any Closely Related Party of a Director) is excluded from voting their shares on this Resolution, the Directors unanimously recommend that shareholders vote in favour of this Resolution to adopt the Remuneration Report.

Voting Exclusions

Refer to Note 5 for voting exclusions.

RESOLUTION 2: RE-ELECTION OF DIRECTOR – MR. PETER STICKLAND***Background***

The Constitution of the Company requires that at every Annual General Meeting, one-third or the next highest number nearest one-third of the Directors (excluding the Managing Director), shall retire from office and provides that such Directors are eligible for re-election at the meeting.

Mr. Peter Stickland

Peter Stickland has over 30 years' global experience in oil and gas exploration. Mr Stickland was CEO and subsequently Managing Director of the Company from 2014 until January 2018 and then became a non-executive director. Previously, Mr Stickland was CEO and subsequently Managing Director of Tap Oil Limited (ASX: TAP) from 2008 until late 2010 during which time he oversaw the evolution of the company into a Southeast Asia/Australia focused E&P company. Prior to joining Tap Oil, Mr Stickland had a successful career with BHP Billiton including a range of technical and management roles. Mr Stickland is also a life member of the Australian Petroleum Production and Exploration Association Limited (APPEA).

Directors Recommendation

The Board (with Mr Stickland abstaining) recommends that shareholders vote in favour of the re-election of Mr Stickland. The Chairman of the meeting intends to vote undirected proxies in favour of Mr Stickland's re-election.

Voting Exclusions

There are no voting exclusions on this Resolution.

RESOLUTION 3: RATIFICATION OF PREVIOUS SHARE ISSUE

Background

On 29 March 2022, the Company issued a total of 125,000,000 Shares to institutional and sophisticated investors at an issue price of \$0.12 per Share to raise approximately \$15 million (before costs) (**Placement Shares**).

ASX Listing Rule 7.1 and 7.1A

Broadly speaking, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under Listing Rule 7.1A however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%.

The Company (which was an eligible entity at the time) obtained shareholder approval for extra placement capacity under Listing Rule 7.1A at its annual general meeting held in November 2021.

The issue of Placement Shares does not currently fit within any of the exceptions to Listing Rule 7.1 or 7.1A and therefore takes up part of the Company's placement capacity under Listing Rule 7.1 and reduces the Company's capacity to issue further equity securities, without Shareholder approval, under Listing Rule 7.1 for the 12-month period following the issue of the Placement Shares.

ASX Listing Rule 7.4

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If that approval is given, the issue is taken to have been approved under Listing Rule 7.1 and will no longer reduce the Company's capacity to issue further equity securities without shareholder approval under that rule.

To this end, the Resolution seeks Shareholder approval for the issue of the Placement Shares under and for the purposes of Listing Rule 7.4.

Resolution 3 seeks Shareholder ratification pursuant to ASX Listing Rule 7.4 for the issue of these Shares which were issued within the Company's 15% Placement Capacity under ASX Listing Rule 7.1.

ASX Listing Rule 7.5

ASX Listing Rule 7.5 sets out a number of items which must be included in a notice of meeting proposing a ratification of securities under ASX Listing Rule 7.4. The following information is provided in accordance with ASX Listing Rule 7.5:

| | |
|---|---|
| Number of Shares issued: | 125,000,000 |
| Date on which Shares were issued: | 29 March 2022 |
| The issue price of the Placement Shares: | The Placement Shares were issued at \$0.12 per Share |
| The names of the persons who were issued with the Placement Shares and/or the basis on which those persons were determined: | Institutional and sophisticated investors were approached by professional brokers on the basis of their clients' investment strategy and prior relationships as well as existing shareholders of the Company. |

| | |
|-----------------------------------|--|
| Terms of the Placement Shares: | The Placement Shares were issued on the same terms as, and rank equally in all respects with, the Company's existing Shares. |
| The intended use of funds raised: | The funds raised from the issue of the Shares were used primarily for Melbana's share of costs associated with new and expanded work streams arising from recent exploration successes in Block 9, Cuba. |
| Voting Exclusion | A voting exclusion statement in relation to Resolution 3 is included in the Notice of Meeting. |

If Resolution 3 is passed, the Placement Shares will be excluded from calculation of the Company's capital raising limit (which totals 25% until 26 November 2022, when the 10% extra capacity expires, and is reduced to 15% after 26 November 2022) effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12 months following the date of issue of the Placement Shares (which expires on 29 March 2023).

If Resolution 3 is not passed, the Placement Shares will be included in calculating the Company's capital raising limit (which totals 25% until 26 November 2022, when the 10% extra capacity expires, and is reduced to 15% from 26 November 2022), effectively decreasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Placement Shares (which expires on 29 March 2023).

Directors' recommendation

The Board recommends that Shareholders vote in favour of Resolution 3.

See Note 5 for details on the Voting Exclusions.

RESOLUTION 4: APPROVAL OF PROPORTIONAL TAKEOVER PROVISIONS

Background

The takeovers regime in Chapter 6 of the Corporations Act applies to the Company. This means that an offer to acquire effective control of the Company will only be valid if it follows the process set out in the Corporations Act.

A bidder wishing to acquire control of the Company may not necessarily wish to purchase 100% of the shares in the Company. Instead, the bidder may make an offer to purchase only a specified proportion (e.g., 33%, or 50%) of each shareholder's interest in the Company. If the offer is accepted, each accepting shareholder will dispose of only that proportion of its shares in the Company and retain the balance.

It is often not in the interests of the shareholders, as a whole, to allow a proportional takeover bid to go ahead. Therefore, the Corporations Act allows a company to include provisions in its constitution the allow a proportional takeover bid to be considered, and voted on, by the shareholders as a whole before it is allowed to proceed. Any transfer of shares to the bidder in accordance with the takeover bid will be void if the proportional takeover bid is not approved.

Clauses 6.2 and 6.3 of the Constitution contain "proportional takeovers" provisions but the Corporations Act (and clause 6.4) provides that these provisions are only effective if approved by shareholders every 3 years. Accordingly, the Company is seeking approval under this Resolution to approve the proportional takeover provisions in the Constitution. If Resolution 4 is passed, these proportional takeover provisions will have effect until 22 November 2025, being 3 years from the approval of this Resolution 4. If Resolution 4 is not passed, then the proportional takeover provisions in clauses 6.2 and 6.3 will be "dormant" unless the shareholders approve them at a point in the future.

Effect of the provisions in the Constitution

The effect of approving the proportional takeover provisions in the Company's Constitution is that where a proportional takeover offer is made, the directors will be required to convene a meeting of shareholders to vote on a resolution to approve the proportional takeover offer. This resolution must be voted on before the 14th day before the last day of the bid period. If the resolution to approve the bid is not voted on by this deadline, the Corporations Act deems the resolution to have been passed.

In order for the resolution to be passed, the proportion of the number of votes in favour of the resolution must be greater than 50% of the total votes. If the resolution to approve the bid is passed, the transfers resulting from the takeover offer may be registered, provided they comply with other applicable provisions in the Corporations Act and the Constitution. If the resolution to approve the bid is not passed, all binding contracts resulting from acceptances of offers made under the takeover offer are required to be rescinded by the bidder and all unaccepted offers (and offers failing to result in binding contracts) are taken to have been withdrawn.

Failure by the Company's directors to ensure that a resolution is voted on before the deadline results in each of the Company's directors contravening section 648E of the Corporations Act.

The proportional takeover provisions will not apply to a full takeover bid (i.e., a bid where the bidder offers to acquire 100% of each shareholder's holding).

Reasons for proposing Resolution 4

A proportional takeover may result in a person or entity acquiring control of the Company notwithstanding that the person or entity does not hold a majority interest and without shareholders having the opportunity to sell all of their shares to the bidder. This may result in the existing shareholders being exposed to the risk of being left as minority shareholders in the Company and of the bidder being able to acquire control of the Company without payment of an adequate, or any, premium for control of their shares. As there is a risk that the market price of the Company's shares will decrease as a result of a proportional takeover bid, there is also a risk that shareholders may suffer loss without having had an opportunity to dispose of their shares. The directors consider that, given this risk, it is appropriate that shareholders be given the opportunity to determine whether or not to approve a proposed takeover offer.

No current proposals

At the date of this notice of meeting, none of the directors of the Company are aware of a proposal by a person to acquire, or to increase the extent of, a substantial interest in the Company.

Potential advantages for shareholders

The advantages of these provisions are that the provisions:

- provide the shareholders with greater control over the management and control of their Company by having an opportunity to consider a proportional takeover offer and vote on whether to approve a proportional takeover bid;
- give shareholders the opportunity to prevent the bid from proceeding if shareholders so desire by voting against the bid, which should in turn increase the likelihood that the terms of any proportional takeover offers are attractive to a majority of shareholders;
- may dissuade bidders considering a proportional takeover bid for the Company that will not be favourable to shareholders on the basis that such a bid is unlikely to receive approval from the shareholders;
- may increase the likelihood that any takeover bid would be a full takeover bid, therefore giving shareholders an opportunity to sell all of their shares rather than a proportion; and
- enable the directors to ascertain the views of shareholders in respect of a proportional takeover offer through a meeting.

Potential disadvantages for shareholders

The disadvantages of these provisions are that the provisions:

- place procedural hurdles in the way of proportional takeover bids, potentially denying shareholders an opportunity to sell some of their shares at an attractive price to persons seeking control of the Company;
- may discourage those considering making proportional takeover bids in respect of the Company from making such a bid because of the uncertainty of whether shareholders will approve the bid, again potentially denying the shareholders an opportunity to sell their shares;
- may diminish the prospective takeover element of the market price of the shares by their existence; and
- may deny an individual shareholder the opportunity to accept a proportional takeover bid if a majority of shareholders do not vote in favour of approving the bid.

However, the directors believe that the views of shareholders being obtained should not adversely affect any offer which is attractive to the majority of shareholders.

Potential advantages and disadvantages for directors

The directors do not consider that there are any advantages or disadvantages specific to the directors, other than those potential advantages and potential disadvantages that arise because a director is also a shareholder.

Directors' recommendation

The Directors recommend that shareholders vote in favour of Resolution 4.

RESOLUTION 5: APPROVAL OF THE ISSUE OF PERFORMANCE RIGHTS AND/OR OPTIONS UNDER THE COMPANY'S LONG TERM INCENTIVE PLAN**General**

The Company endeavours to achieve simplicity and transparency in remuneration design, whilst also balancing competitive market practices in Cuba and Australia. In light of the Company's increasing operations globally, the Board has reviewed the Company's long-term incentive arrangements to ensure that it continues to retain and motivate key executives in a manner that is aligned with members' interests. The Board has previously obtained external remuneration advice to assist with the design of the Company's Long Term Incentive Plan which the Company last approved at its annual general meeting on 22 November 2019 (LTIP).

As a result of that review and advice, the Board has resolved to continue to adopt the 'umbrella' LTIP pursuant to which it may invite eligible executives to apply for the grant of performance rights and/or Options. The performance rights and options under this proposed LTIP will be granted in accordance with the LTIP Rules as set out below.

It is the Board's view that the award of performance rights and/or options under the proposed LTIP will provide meaningful remuneration opportunities, which are aligned with the Company's share price performance and will reflect the importance of retaining the Company's world-class management team as well as attracting high quality personnel to the Company.

ASX Listing Rules

Member approval is being sought under Exception 13(b) of ASX Listing Rule 7.2 so that the Company will be able to grant options and/or performance rights under the LTIP during the three years after the Annual General Meeting as an exception to ASX Listing Rule 7.1.

ASX Listing Rule 7.1 prohibits the Company from issuing or agreeing to issue more than 15% of its issued equity securities in any 12-month period without the approval of the holders of ordinary securities. However, ASX Listing Rule 7.2 sets out a number of exceptions to ASX Listing Rule 7.1. These exceptions include Exception 13(b), which provides that ASX Listing Rule 7.1 does not apply to an issue of securities under an employee incentive scheme if within three years before the date of issue the holders of ordinary securities have approved the issue of securities under the scheme as an exception to ASX Listing Rule 7.1.

If Resolution 5 is passed, the Company will be able to issue securities under the LTIP to eligible participants over a period of 3 years without using the Company's 15% annual placement capacity under the ASX Listing Rule 7.1. However, any issues of securities under the LTIP to a related party (including directors) will require additional Shareholder approval under ASX Listing Rule 10.14 at the relevant time.

If Resolution 5 is not passed, the Company will be able to proceed with issues of incentives under the LTIP to eligible participants, but any issues of incentives will reduce, to that extent, the Company's capacity to issue equity securities without shareholder approval under Listing Rule 7.2 for the 12-month period following the issue of the performance rights.

In accordance with the listing Rule 7.2 Exception 13(b), the following information is provided in relation to the Plan:

- A summary of the terms of the LTIP are as set out below.
- The LTIP was previously approved at the Company's 2019 Annual General Meeting held on 22 November 2019. The Company has issued 31,812,050 securities under the LTIP since its last approval by Shareholders. There are currently no performance rights or options issued under the LTIP.
- The maximum number of Equity Securities proposed to be issued during the three-year period under the LTIP following shareholder approval is 5% of the total number of Shares on issue as at the date of the issue of the relevant Equity Securities. The maximum is not intended to be a prediction of the actual number of Equity Securities to be issued under the Plan, but simply a ceiling for the purposes of Listing Rule 7.2, exception 13(b). Once that number is reached, any additional issues of Equity Securities under the Plan would not have the benefit of Listing Rule 7.2, exception 13 without a fresh Shareholder approval. Given the present issued capital of the Company, that maximum would be 168,510,205.

Summary of the terms of the LTIP**Operation**

The Board is responsible for administering the LTIP in accordance with the LTIP Rules. A grant of performance rights and/or options under the LTIP will be subject to both the LTIP Rules and the terms and conditions of the specific grant.

All future offers to Australian employees and executives of the Company under the LTIP will be made in accordance with the requirements of the Corporations Act, any applicable ASIC Class Order and the ASX Listing Rules.

Eligibility

The LTIP is open to employees (including Directors employed in an executive capacity) of the Company who are invited by the Board to participate in the LTIP. The LTIP is not open to non-executive Directors of the Company. All non-executive Directors are ineligible to participate in any current employee incentive scheme of the Company. The Board may invite employees to apply for performance rights and/or options under the LTIP in its absolute discretion.

Grant

No payment is required on the grant of a performance rights and no exercise price is payable upon the performance right vesting. No payment is required on the grant of an option. The exercise price of an option will be determined by the Board in its discretion and specified in the participant's invitation letter.

Vesting

The vesting of a performance right will be conditional on the satisfaction of any performance conditions attaching to the Performance Right. Performance conditions will be determined by the Board in its discretion and specified in the participant's invitation letter.

Where relevant performance conditions are met, then the performance right will vest and automatically be exercised into Shares.

The vesting of an option will be conditional on the satisfaction of any performance conditions attaching to the option. Performance conditions will be determined by the Board in its discretion and specified in the participant's invitation letter.

Where a participant ceases to be an employee of the Company because of total and permanent disability, death, or any other circumstance determined by the Board in its discretion, the Board may determine that any of the performance rights and/or options granted to a participant will vest, whether or not any performance conditions attaching to the performance right and/or option have been met.

Notwithstanding this and subject to the ASX Listing Rules:

- (i) the Board may vest some or all of a participant's performance rights and/or Options even if a performance condition has not been met, if the Board considers that to do so would be in the interests of the Company; and
- (ii) the vesting of a participant's performance rights and/or Options may be made subject to further conditions as determined by the Board.

Lapse of performance rights and Options

All performance rights and Options that have not vested on or before the fifth anniversary of their grant date will automatically lapse. Performance rights and Options will also lapse if the applicable performance conditions attaching to them are not met within a prescribed period determined by the Board in its discretion.

If a participant ceases to be an employee of the Company (other than in the circumstances referred to in paragraph (d) above), the participant's performance rights and/or Options will lapse automatically on cessation of the participant's employment unless the Board determines otherwise within 60 days of the date of cessation of the participant's employment.

Conversion

A participant may at any time request the Board to convert any or all of the participant's unvested performance rights to Options, or vice versa, at a rate of conversion determined by the Board in its absolute discretion. Any converted performance rights or Options will be subject to the same terms and conditions of the original performance rights or Options (as applicable) granted to the participant unless otherwise determined by the Board in its discretion.

Dealing with Performance Rights and Options

Performance rights and options are not transferable, except on the participant's death, to their legal personal representative.

Shares

Each performance right will entitle a participant to one Share upon vesting. Each option will entitle a participant upon vesting to subscribe for one Share at the exercise price specified by the Board in the participant's invitation letter. Shares

issued as a result of the vesting of a performance right or vesting and exercise of an option will rank equally with the Shares currently on issue.

Maximum number of Performance Rights and Options

The Board may grant such number of performance rights and/or options under the LTIP as the Board determines so long as no limit specified, imposed or calculated by any relevant policy or guideline of ASIC, including any regulatory guide, class order or condition for relief, is exceeded.

Takeovers

In the event of a takeover bid (as defined in the Corporations Act), a participant's performance rights and options will vest immediately to the extent that the performance conditions attaching to those performance rights and/or options have been satisfied and the remaining performance rights and/or options will lapse.

Reconstruction of capital

If the Company makes a bonus issue, then a participant will become entitled to a proportionately greater number of Shares on vesting of the performance rights and/or options held, as if the performance rights and/or options had vested before the bonus issue. If there is any other form of capital reconstruction, the number of performance rights and/or options will be adjusted in accordance with the ASX Listing Rules.

A participant is not entitled to participate in any new issue of securities in the Company other than as described above.

Amendment of Incentive Plan

Subject to the ASX Listing Rules, the Board may amend the rules of the LTIP, but no amendment may materially reduce the rights of participants generally in respect of the performance rights and/or options granted to them, except an amendment:

- made primarily to enable compliance with the law governing or regulating the LTIP;
- to correct a manifest error or mistake;
- to take into account changes in development in taxation law; or
- to enable compliance with the Corporations Act or the ASX Listing Rules.

Voting exclusion statement

A voting exclusion statement is included in the Notice accompanying this Explanatory Memorandum.

Directors' recommendation

The non-executive Directors recommend that shareholders vote in favour of Resolution 5.

RESOLUTION 6: APPROVAL OF POTENTIAL TERMINATION BENEFITS FOR ELIGIBLE EXECUTIVES OF THE COMPANY

Under section 200B of the Corporations Act, the Company must not give a person a benefit in connection with the person's retirement from an office, or position of employment, in the Company or its related bodies corporate if:

- the office or position is a managerial or executive office; or
- the person has, at any time during the last three years before their retirement, held a managerial or executive office in the Company and its related bodies corporate, unless shareholder approval is obtained under section 200E of the Corporations Act for the giving of the benefit (or if a specified exception applies). The Corporations Act sets out certain exceptions to the requirement to obtain shareholder approval.
- These exceptions relate to things such as statutory entitlements to accrued annual and long service leave and other benefits which fall within the monetary cap prescribed by the Corporations Act, which is broadly equivalent to one year's annual average base salary of the relevant person over the period during which that person held a managerial or executive office (up to a period of three years).

A "benefit" is broadly defined and can include a payment or other valuable consideration provided to the relevant person.

A benefit also extends to cover accelerated or automatic vesting of equity awards on, or as a result of, retirement from an office or position, a payment made in lieu of giving of notice of termination and a payment that is made as part of a post-employment restraint.

If a termination benefit is given in excess of what is permitted under the Corporations Act, a breach of the Corporations Act can occur even if the person receiving the benefit is entitled to the benefit under their contractual arrangements with the Company and its related bodies corporate.

ASX Listing Rule 10.19

ASX Listing Rule 10.19 provides that, without shareholder approval, an entity must ensure that no officer of the entity or any of its child entities will be, or may be, entitled to termination benefits if the value of those benefits and the termination benefits that are or may become payable to all officers together exceed 5% of the equity interests of the entity as set out in the latest accounts given to ASX under the Listing Rules.

Why is Shareholder approval being sought?

The purpose of Resolution 6 is to seek approval from Shareholders for the provision of certain benefits to persons who hold a 'managerial or executive office' (as that term is used in the Corporations Act) in the Company or a related body corporate of the Company (Executive) so that such termination benefits may be paid or provided to the Executive without breaching the requirements of section 200B of the Corporations Act and the Company can meet its contractual commitments to the Executive.

Who does this approval cover?

Approval is being sought for any current or future Executives at the time of their termination or at any time in the three years prior to their termination. This would include:

- KMP of the Company, as disclosed in the Remuneration Report and any future remuneration report of the Company; and
- executives who serve as directors of the Company's subsidiaries.

Details of the remuneration of the Company's current KMP are set out in the Remuneration Report.

Resolution 6 seeks approval, not just for the KMP disclosed in the Remuneration Report, but also for any other current or future director or employee who, at the time of his or her termination or at any time in the three years prior to that date, was a KMP of the Company or the Company's subsidiaries.

Details of benefits for which Shareholder approval is sought

Performance rights and options

Under the Plan, the Company can award Executives performance rights or options in accordance with the Plan.

Under the terms of the performance rights which are proposed to be granted at this Meeting, such performance rights will either:

- (a) automatically vest and all relevant performance conditions will be deemed to have been satisfied in full, without the need for any further action, on cessation or termination of employment of the Executive, except where the Executive's employment or appointment ceases or is terminated, as a result of fraud, dishonesty or breach of the Executive's obligations, or as a result of their voluntary resignation. In these circumstances all unvested performance rights will automatically lapse on the date on which the Executive ceases to be employed or appointed by the Company or their employment or appointment is terminated (as applicable); or
- (b) provide the Board with a discretion to determine whether the performance rights will vest (and, if so, what proportion of the performance rights will vest) on termination of the Executives employment. The Board would generally exercise its discretion for unvested performance rights and options to vest, except in the circumstances outlined in (a) above.

Since 2019, the Company has issued and will continue to issue performance rights and options to Executives which provide the Board with a discretion to determine whether such performance rights and options will vest (and, if so, what proportion of the performance rights and options will vest) on termination of the Executive's employment or appointment. The Board would generally exercise its discretion for unvested performance rights to vest, except in the circumstances outlined above. Any future performance rights or options issued by the Company under the Plan (or otherwise) may either provide for similar automatic vesting conditions, or for the Board to exercise discretion in relation to unvested performance rights or options, as outlined above.

Approval is being sought from Shareholders in relation to the vesting of performance rights and options granted as outlined above, and in respect of accelerated vesting conditions for any performance rights or options which are granted to Executives under the Plan (or otherwise) in the future.

Other termination benefits

Shareholder approval is also being sought for termination benefits that may be provided to an Executive under individual employment agreements or engagement letters entered with the Executive.

Further information about these benefits is set out in Annexure A of this Explanatory Memorandum.

The value of the benefits

The monetary value of any benefit that arises in connection with the vesting of an Executive's performance rights (or options) or benefits under their employment agreement or engagement letter cannot currently be ascertained because this value depends on future matters, events and circumstances.

In relation to the value of any performance rights or options, the future matters, events, and circumstances include, but are not limited to:

- The number of performance rights or options granted to the Executive.
- The number of unvested performance rights and options the Executive holds at the time they cease employment from office with the Company and its related bodies corporate and the number that vest or lapse automatically under their terms or that the Board determines to vest or lapse.
- The extent to which the performance conditions that apply to the performance rights or options have been satisfied.
- The circumstances in which the Executive ceases to hold office.
- The length of time that the Executive has been in their role with the Company.
- The exercise of discretions by the Board.
- The Company's Share price at the relevant time.

The future matters, events, and circumstances relevant to determining the value of any benefits under an Executive's employment agreement or engagement letter are outlined in Annexure A of this Explanatory Memorandum.

Approval is sought for a three-year period

Shareholder approval is sought for:

- any performance rights granted to the date of the 2022 AGM (as outlined above) and any performance rights or options granted under the Plan during the 3 years from the date of the AGM until the conclusion of the Company's AGM in 2025; and
- any termination benefits under an Executive's employment agreement or engagement letter as outlined in Annexure A of this Explanatory Memorandum if the Executive ceases employment or office during the 3 years from the date of the AGM until the conclusion of the Company's AGM in 2025.

Directors' recommendation

The non-executive Directors recommend that Shareholders vote in favour of Resolution 6.
