¹ "Corporate governance statement" is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of Listing Rule 4.10.3.

Under Listing Rule 4.7.3, an entity must also lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX. The Appendix 4G serves a dual purpose. It acts as a key designed to assist readers to locate the governance disclosures made by a listed entity under Listing Rule 4.10.3 and under the ASX Corporate Governance Council's recommendations. It also acts as a verification tool for listed entities to confirm that they have met the disclosure requirements of Listing Rule 4.10.3.

The Appendix 4G is not a substitute for, and is not to be confused with, the entity's corporate governance statement. They serve different purposes and an entity must produce each of them separately.

² Tick whichever option is correct and then complete the page number(s) of the annual report, or the URL of the web page, where your corporate governance statement can be found. You can, if you wish, delete the option which is not applicable.

³ Throughout this form, where you are given two or more options to select, you can, if you wish, delete any option which is not applicable and just retain the option that is applicable. If you select an option that includes "OR" at the end of the selection and you delete the other options, you can also, if you wish, delete the "OR" at the end of the selection.

See notes 4 and 5 below for further instructions on how to complete this form.

The corporate governance statement discloses the extent to which the Company has followed the ASX Principles and Recommendations during the year ended 30 June 2022 and has been approved by the Board of the Directors of the Company ("the Board"). Byron has prepared an ASX Appendix 4G – Key to Disclosures, which, together with this corporate governance statement, is lodged with the ASX.

This corporate governance statement is effective as of 20 October 2022.

Principle 1 – Lay Solid Foundations for Management and Oversight

Recommendation 1.1 – Role of the Board and Management

The Board is responsible for corporate governance, that is, the system by which the Company and its subsidiaries ("the Group") are managed.

The Board has adopted a Corporate Governance Charter, incorporating a Board Charter, which outlines the manner in which its powers and responsibilities are exercised and discharged having regard to principles of good corporate governance and applicable laws.

The Corporate Governance Charter, incorporating a Board Charter, is available on the Company's website: www.byronenergy.com.au (in the Corporate Governance section of the website).

The role of the Board is to create sustainable shareholder wealth in a manner consistent with the Company's Constitution, the Board Charter and all legal and regulatory requirements.

The Board achieves this by:

- (a) charting strategy and setting financial targets for the Group;
- (b) monitoring the implementation and execution of strategy and performance against financial targets;
- (c) appointing and overseeing the performance of executive management;
- (d) setting and overseeing the Company's values and corporate governance framework, and ensuring that the Company acts with integrity and in accordance with the highest ethical standards;
- (e) ensuring there is an effective balance between the delegation and responsibility for the day-to-day operation and management for the Managing Director/CEO and the role of the Board in monitoring, guiding and providing oversight; in setting, overseeing the Company's direction; and
- (f) ensuring effective communication with shareholders.

The Board has responsibility for the matters specified above and, in addition to those matters reserved to it by law, reserves to itself the following matters and all power and authority in relation to those matters:

- (a) oversight of the Group including its control and accountability systems;
- (b) appointing and removing the Managing Director/CEO;
- (c) ratifying the appointment and, where appropriate, the removal of the Company Secretary;
- (d) reviewing and overseeing the operation of systems of risk management and internal compliance and control, codes of ethics and conduct, and legal and regulatory compliance;
- (e) monitoring senior management's performance and implementation of strategy, and ensuring appropriate resources are available;
- (f) approving and monitoring the progress of major capital expenditure, capital management, and acquisitions and divestitures;
- (g) approving and monitoring financial and other reporting;
- (h) performance of investment and treasury functions;
- (i) monitoring industry developments relevant to the Group and its business;
- (j) developing suitable key indicators of financial performance for the Group and its business;
- (k) input into and final approval of management's development of corporate strategy and performance objectives;
- (l) the overall corporate governance of the Group including the strategic direction, establishing goals for management and monitoring the achievement of these goals; and
- (m) oversight of Committees.

To assist in the execution of its responsibilities, the Board has the authority to establish Committees (and delegate powers accordingly) to consider such matters as it may consider appropriate including, by way of example only, audit matters, finance and business risks, remuneration, and nominations, and to establish a framework for the effective and efficient management of the Company and the Group.

The Company complies with Recommendation 1.1 of the ASX Principles and Recommendations.

Recommendation 1.2 – Director and Executive Checks

The Company has processes in place to ensure the appropriateness of candidates for appointment as executives and appointment and election as Directors.

Full details of each Director are announced in the initial appointment announcement and also included in the Annual Report. Where a Director is seeking election, shareholders are given full details.

The Company complies with Recommendation 1.2 of the ASX Principles and Recommendations.

Recommendation 1.3 – Written Agreement with Each Director and Senior Executive

The Company has written agreements with each Non-Executive Director.

The Company also had written agreements with the Executive Directors, including Managing Director/Chief Executive Officer, and senior executives.

The Company complies with Recommendation 1.3 of the ASX Principles and Recommendations.

Recommendation 1.4 – Company Secretary

The Company Secretary reports directly to the Board, through the Chairman, on all matters regarding the functioning of the Board.

The Company complies with Recommendation 1.4 of the ASX Principles and Recommendations.

Recommendation 1.5 – Diversity

Having regard to the size of the Company (including a small complement of staff) and the nature of its activities, a separate formal diversity policy has not been adopted.

The Company does not discriminate on the basis of age, ethnicity or gender in any employment matters, and when a position becomes vacant the Company seeks to employ the best candidates available for the position.

The Company currently has no women in senior executive positions or women on the Board. The Board fully supports the gender diversity concept and is committed to establishing measurable objectives for achieving gender diversity as the Company's business expands.

The Company and its Australian and USA subsidiaries employ fewer than 12 people and is not a "relevant employer" under the Workplace Gender Equality Act.

The Company does not comply with Recommendation 1.5 of the ASX Principles and Recommendations.

Recommendation 1.6 – Board Performance Assessment

The Company has a process for periodically evaluating the performance of its Board and each Director. The performance of all the Directors is reviewed by the Chairman each year. The performance of the Chairman is reviewed and assessed each year by the other Directors.

In addition, the performance of the Managing Director/Chief Executive Officer and other senior executives is constantly reviewed by the Board as part of the ordinary course of meetings of Directors.

The Company complies with Recommendation 1.7 of the ASX Principles and Recommendations.

Principle 2 – Structure the Board to be Effective and Add Value

Recommendation 2.1 – Nomination Committee

The Board has not formed a Nomination Committee as recommended by Recommendation 2.1 of the ASX Principles and Recommendations.

The Board as a whole reviews the composition of the Board and appointment of new Directors to ensure the appropriate mix of skills and expertise is present to facilitate successful strategic direction.

The composition of the Board is currently determined according to the following principles:

- (a) the Board must comprise members with a broad range of experience, expertise, skills and contacts relevant to the Group and its business;
- (b) the Board must consist of a minimum of three Directors and a maximum of 10 Directors;
- (c) the number of Directors may be increased where the Board considers that additional expertise is required in specific areas or when an outstanding candidate is identified;
- (d) the Chairman must be a Non-Executive Director; and
- (e) at least half of the Board must be Non-Executive Directors.

Having regard to the size, current ownership structure of the Company and the nature of its activities, the Board believes that the current composition of the Board is appropriate as it adds value by ensuring there is a broad range of experience, expertise, skills, qualifications and contacts which are deemed relevant to the business of the Company.

The Board also considers it more efficient for the selection and appointment of Directors to be considered by the Board itself at this stage. The Board may also engage an external consultant where appropriate to identify and assess suitable candidates who meet the Board's selection criteria.

Directors are initially appointed by the full Board subject to election by shareholders at the next annual general meeting. Under the Company's Constitution, the tenure of Directors (other than the Managing Director/Chief Executive Officer) is subject to reappointment by shareholders not later than the third anniversary following his or her last appointment. Subject to the requirements of the *Corporations Act 2001 (Cth)*, the Board does not subscribe to the principle of a compulsory retirement age and there is no maximum period of service as a Director. A Managing Director/Chief Executive Officer may be appointed for any period and on any terms the Directors think fit and, subject to the terms of the written agreement entered into, the Board may revoke this appointment according to the terms of this agreement.

As the Group's activities increase in size and scope, the size of the Board will be reviewed periodically to determine if a Nominations Committee is required for the Board to properly perform its responsibilities and functions.

The Company does not comply with Recommendation 2.1 of the ASX Principles and Recommendations.

Recommendation 2.2 – Board Skills Matrix

The Board endeavours to ensure that the Directors comprising the Board have a broad range of experience, expertise, skills and contacts relevant to the Group and its business. Having regard to the size, current ownership structure of the Company and the nature of its activities, the Board considers that it has the necessary balanced mix of skills.

To date, the Board does not consider that a specific skills matrix is required. However, the Board will continue to consider whether it would be appropriate for the Company to adopt a board skills matrix as the Company continues to develop and grow.

The profile of each Director containing their skills, experience, expertise and term of office is set out in the Directors' Report.

The situation will be monitored and changed in line with best practice as and when the Directors feel the Company is of sufficient size.

To ensure that independent judgement is achieved and maintained in respect of its decision-making processes, the Board has adopted a number of measures, which include the following:

- each Director has the right to seek independent legal or other professional advice at the Company's expense; and
- any Director having a conflict of interest in relation to a particular item of business must declare their interest and not vote on that item of business and excuse themselves from the Board meeting if required by the Board before commencement of discussion on the topic.

Recommendation 2.5 – Independent Chairman and Chief Executive Officer

Both are published on the Company's website: www.byronenergy.com.au. The purpose of these codes is to guide Directors, senior executives and employees in the performance of their duties and to define the circumstances in which both the Directors and management, and their respective associates, are permitted to deal in securities.

The Board has not adopted a detailed Code of Conduct for executives and employees, but has adopted a Code of Conduct for Directors, contained in the Corporate Governance Charter, incorporating a Board Charter, and is available on the Company's website: www.byronenergy.com.au (in the Corporate Governance section of the website).
