PropTech Group Delivers 24% YoY Growth in Cash Receipts from Operating Activities

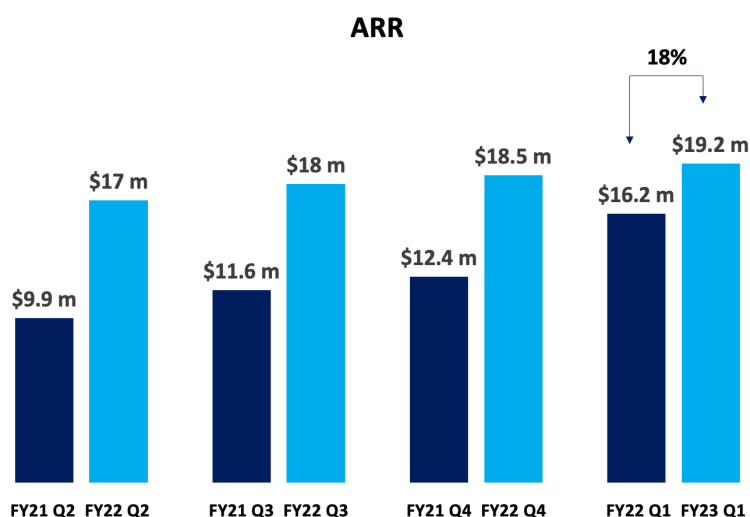

MELBOURNE, AUSTRALIA (28 October 2022) — The PropTech Group Limited (ASX: PTG), which provides the software that real estate agencies depend on all day, every day, is pleased to release its Appendix 4C and Activities Report for the three months ending 30 September 2022 (“**Q1 FY23**” or “**First Quarter**” or “**Quarter**”).

First Quarter financial highlights include:

- Cash receipts of \$6.2 million, an increase of 24% over the same quarter in the previous year;
- Positive net cash flows from operations of \$0.2 million;
- Strong cash balance of \$6.0 million as at 30 September 2022; and
- Market share increased by one percentage point to 43% of agencies in Australia and New Zealand using at least one of our products.

First Quarter operational highlights include:¹

- Annualised Recurring Revenue (“**ARR**”) reached a record \$19.2 million as at the end of the Quarter, an increase of 18% over the previous corresponding period of Q1 FY22;²

- Average revenue per account (“**ARPA**”) was \$271 per month in the Quarter, an increase of 15% over the previous corresponding period (Q1 FY22); and

¹ Australia-New Zealand business-to-business accounts only.

² Annualised Recurring Revenue is recurring revenue calculated in the last month of the quarter and multiplied by 12. It provides a 12 month forward looking view of recurring revenue if all factors such as new, churn, pricing and foreign exchange were to remain the same for that period.

- Market share increased by one percentage point to 43% of agencies in Australia and New Zealand using at least one of our products.

Joe Hanna, Group CEO and Managing Director of the PropTech Group, said:

“In the First Quarter, PropTech Group again demonstrated strong growth and improvement across all the key metrics. Annual growth in cash receipts of 24% took our total for the quarter to \$6.2 million, a new record for the company.

“As previously announced, during the Quarter the company paid out \$7.5 million from our cash balances to satisfy existing obligations under the agreed earn-out relating to the Eagle Software acquisition.

“Our success at capturing greater value from our existing customer base is demonstrated through the 18% annualised recurring revenue increase and 15% growth in average revenue per account, while maintaining our market share. While we continue to acquire new customers, we see even greater opportunities in providing more products to each customer, on average, and thus increasing ARPA.

“We finish the Quarter with a strong balance sheet and the ability to fully self-fund future growth. Our end-of-quarter cash balance was \$6.0 million.”

Notes

1. This quarterly cash flow report and the accompanying activity report provide a basis for informing the market about the entity's activities for the past quarter, how they have been financed and the effect this has had on its cash position. An entity that wishes to disclose additional information over and above the minimum required under the Listing Rules is encouraged to do so.
2. If this quarterly cash flow report has been prepared in accordance with Australian Accounting Standards, the definitions in, and provisions of, *AASB 107: Statement of Cash Flows* apply to this report. If this quarterly cash flow report has been prepared in accordance with other accounting standards agreed by ASX pursuant to Listing Rule 19.11A, the corresponding equivalent standard applies to this report.
3. Dividends received may be classified either as cash flows from operating activities or cash flows from investing activities, depending on the accounting policy of the entity.
4. If this report has been authorised for release to the market by your board of directors, you can insert here: "By the board". If it has been authorised for release to the market by a committee of your board of directors, you can insert here: "By the [name of board committee – eg Audit and Risk Committee]". If it has been authorised for release to the market by a disclosure committee, you can insert here: "By the Disclosure Committee".
5. If this report has been authorised for release to the market by your board of directors and you wish to hold yourself out as complying with recommendation 4.2 of the ASX Corporate Governance Council's *Corporate Governance Principles and Recommendations*, the board should have received a declaration from its CEO and CFO that, in their opinion, the financial records of the entity have been properly maintained, that this report complies with the appropriate accounting standards and gives a true and fair view of the cash flows of the entity, and that their opinion has been formed on the basis of a sound system of risk management and internal control which is operating effectively.
