

Webinar Presentation

Managing Director Paul Bibby to discuss the Scoping Study delivered for the Bekisopa Iron Ore Project

- Robust and positive results point to next development steps
- Study confirms high grades, low impurities, positive processing characteristics and robust economics.
- WAI considers nearby Satrokala a 'look alike' project suitable to fast-track
- Pre-feasibility Study to follow on receipt of DSO infill drill results and upgraded Mineral Resource

AKORA Resources ("AKORA" or "the Company") (ASX: AKO) is pleased to invite shareholders and investors to a Webinar Presentation to be conducted by Managing Director Paul Bibby which will discuss the recent announcements (ASX 14/11/2022) regarding the completion and delivery by Wardell Armstrong International of the Bekisopa Iron Ore Project Scoping Study.
