Dear Sir,

Request for trading halt

As foreshadowed in the Company's announcement on 18 November 2022, the Company is due to release results of testing on samples of Uley Graphite undertaken by INEMET at TU Freiburg undertaken today.

The Company requests that its shares be placed in a trading halt until such time as the announcement is released to the Market. The announcement should be released by Midday today and the trading halt should then be able to be lifted.

The Company is not aware of any reason why the trading halt should not be granted.

The Company consents to this letter being released to the market.

Yours sincerely

Rochelle Pattison
Director
