

MUTUAL TERMINATION OF IP LICENCE

Melbourne, Australia, 2 December 2022 – Cronos Australia Limited (ASX:CAU) (**Company**) advises that the Company, Cronos Australia - Operations Pty Ltd (**CAO**), a wholly-owned subsidiary of the Company, and Cronos Group Inc. (**CGI**) have, by mutual agreement, terminated the Intellectual Property Licence Deed (as amended and restated from time to time) between the three parties (**IP Licence**).

Pursuant to the IP Licence, CGI had granted CAO and its affiliates (including the Company) rights to use various aspects of intellectual property owned by CGI and its affiliates (**Intellectual Property**) including, but not limited to, know-how and trademarks including the “Cronos” name.

Following the overwhelming approval of the shareholders to change the Company’s name to Vitura Health Limited at the Company’s recent Annual General Meeting, the IP Licence was less relevant to the Group going forward. For further information relating to the Company’s name change, refer to the Company’s Notice of Annual General Meeting and Explanatory Statement dated and announced to the ASX on 28 October 2022.

The Company will, within 180 days of the date of termination of the IP Licence, cease all permitted uses of the Intellectual Property, as set out in the IP Licence and confirms that the termination of the IP Licence will have no other material impact on the Company’s operations.
