	US\$M	
Cash	22.0	March 2022
72.8M Merdeka shares	20.0	Provided immediately and still unsold

Note 2. Contingent Consideration

Lion's NTA excludes potential contingent consideration that may be payable if Lion sells its investment in either PhosCo or Kasbah.

This obligation arises following Lion agreeing to purchase the shares it did not own in African Lion 3 Ltd (AFL3) to consolidate ownership (with the exception of Lion Manager Pty Ltd who opted to hold its investment). The transaction involved Lion agreeing to pay contingent consideration in certain circumstances for up to 5 years ending 3 March 2026. The value of the contingent consideration depends on the ultimate exit price for PhosCo and/or Kasbah, how long Lion holds the investments, and how much additional investment is made.
