## **ASX Announcement**

### **Appointment of Chief Financial Officer**

Rectifier Technologies Ltd (“Company”) is pleased to announce that Mr Jian (David) Xu has today been appointed as Chief Financial Officer of the Company.

David Xu is a Fellow of CPA Australia who joined Rectifier Technologies Ltd in 2013. With over 17 years of experience in several ASX-listed and private companies, he has a proven track record in financial management, corporate governance, and overseeing business operations in Australia and globally. Prior to entering senior finance roles, he was the Sales and Marketing Manager for over seven years in the equipment and vehicles industry. David has an undergraduate degree in commerce from Renmin University and an MBA and Master of Professional Accounting from Victoria University.
