

Normal Trading Resumes

Australian Dairy Nutritionals Group (**AHF or Group**) advises shares in Australian Dairy Nutritionals Limited (**ADNL**) commenced normal trading yesterday, following the unstapling of the shares in ADNL from units in the Australian Dairy Farms Trust. Shares have resumed trading under the Group's existing ASX ticker code 'AHF'.

The units in the Australian Dairy Farms Trust have been removed from the ASX and are not able to be traded pending their cancellation.

For further detail in relation to the implementation of the Unstapling please refer to our announcement dated 24 November 2022.

The release of this announcement was authorised by the Company Secretary.

ENDS

About Australian Dairy Nutritionals Group

Australian Dairy Nutritionals Group (AHF) is a vertically integrated Australian dairy group which owns high quality organic and organic A2 dairy farms, and a processing facility located in Southwestern Victoria, the 'Golden Triangle' of Australia's dairy industry. In addition to our premium Future range of infant formulas the Group has also commenced production of Australia's first Organic A2 infant formula made with farm fresh Australian milk from our farms at our purpose-built infant formula factory. The Group is a trusted source of premium quality branded dairy products sold in Australia and overseas.

Disclaimer – Forward Looking Statements

This announcement may include "forward looking statements" within the meaning of securities laws of applicable jurisdictions. These forward-looking statements are not historical facts but are based on AHF's current expectation, estimates and projections about the industry, in which it operates, and beliefs and assumptions. Readers are cautioned not to place undue reliance on forward looking statements.
