## **ASX ANNOUNCEMENT**

### **Market Update**

The directors of Saferoads Holdings Limited (**ASX: SRH**) provide the following market update:

The Company is pleased to announce that it has secured the first order for HV2 Barriers to the USA.

TraFFix Devices placed an order for 165 units (approximately one kilometre) of HV2 Barriers, to be supplied to North Dakota. This order is expected to be fulfilled in the first quarter of 2023.

“This is an important milestone for Saferoads, after a number of years and significant investment in the research, development and seeking regulatory approvals for this product,” said Managing Director, Darren Hotchkin. “It is a testament to the great team here in Australia and our partners in the USA. We anticipate this to be the first of many more orders in the future for HV2 Barrier in the USA.”

This announcement has been authorised for release by the Board.
