

Adherium launches new Interactive Investor Hub

Melbourne, Australia – 1 February 2023: Adherium Limited (“Adherium” or “the Company”; ASX: ADR), a leader in respiratory eHealth, remote patient monitoring and data management solutions, today announced the launch of the Company’s new interactive Investor Hub.

For both existing and prospective shareholders, the new Adherium Investor Hub hosts the latest company announcements, reports, and presentations. It also provides an interactive online experience allowing the Adherium investor community to comment on and ask the Adherium team questions regarding company news and information via the portal.

Rick Legleiter, CEO of Adherium, said: “The Adherium Investor Hub enables our shareholders to not only access our latest announcements and news, but it is also a place to directly interact with us, ensuring all our shareholders, are able to easily communicate with us.”

Sign up for the Adherium Investor Hub at <https://investors.adherium.com/welcome>

About Adherium (ASX: ADR)

Adherium is a provider of integrated digital health solutions and a worldwide leader in connected respiratory medical devices, with more than 180,000 sold globally. Adherium’s Hailie® platform solution provides clinicians, healthcare providers and patients access to remotely monitor medication usage parameters and adherence, supporting reimbursement for qualifying patient management.

The Hailie® solution includes a suite of integration tools to enable the capture and sharing of health data via mobile and desktop apps, Software Development Kit (SDK) and Application Programming Interface (API) integration tools, and Adherium's own broad range of sensors connected to respiratory medications. Adherium's Hailie® solution is designed to provide visibility to healthcare providers of medication use history to better understand patterns in patient respiratory disease.
