

## CRAIG EVANS COMMENCES AS CEO OF MOVE

Transport and logistics group, MOVE Logistics Group Limited (NZX/ASX: MOV), is pleased to welcome Craig Evans as Chief Executive Officer from today.

Craig has had a stellar career in the logistics sector, including 35 years at Mainfreight, with the last six years as Mainfreight's New Zealand country manager. Prior to this, he was with Freightways for four years. He is well qualified to lead MOVE into its next phase of growth.

Craig said: "I am excited about the opportunities for MOVE and looking forward to working with the MOVE team and Board to strengthen and build this company into a leader in the sector."

Craig's appointment was announced in December 2022. As advised in that announcement, Craig has today been issued 1 million restricted stock units in MOVE which vest at the end of a three year period. A capital change notice to this effect accompanies this announcement. Executive director Chris Dunphy now steps back from day to day management of the business but will assist with transition and remain an active member of the Board.
