6 FEBRUARY 2023

- Cronos Australia Limited (ASX:CAU) (**Company**) has changed its name to Vitura Health Limited
- The Company anticipates that its ASX code will be updated to VIT from opening of trade on Wednesday, 8 February 2023
- No change to brands in the Vitura Health portfolio, including CanView, Burleigh Heads Cannabis, CDA Clinics, Cannadoc and Adaya

Melbourne, Australia - At its 2022 Annual General Meeting (AGM) on 29 November 2022, the Company sought the approval of its shareholders to change the name of the Company to Vitura Health Limited. Since its merger with CDA Health Pty Ltd., the Company has worked to integrate the two businesses into one cohesive, high performing company. The Board believes that this integration will be deepened by the Group adopting a new name that reflects the vision, values and aspirations of the merged Company, rather than being tied to a name that more closely reflected the Cronos Australia pre-Merger business. The resolution to approve the name change was overwhelmingly supported by the shareholders, with more than 99.7% of all votes cast in respect of the resolution supporting the change.

The Company advises that the Australian Securities and Investments Commission has today altered the details of the Company's registration to reflect the change of name. Accordingly, effective today, the Company's name has been changed to Vitura Health Limited. A copy of the Certificate of the Registration of a Company showing the change of name is attached.

The Company anticipates that it will commence trading on the ASX under the name Vitura Health Limited and the new ASX code **VIT**, as from the opening of trade on 8 February 2023.

There are no changes to the brands in the Vitura Health portfolio, including CanView, Burleigh Heads Cannabis, CDA Clinics, Cannadoc and Adaya.

In announcing the Company's change of name, Chief Executive Officer, Rodney Cocks said:

"I am excited and proud to announce the Company's new name and corporate branding which embodies the direction we are taking and we are confident will be well received by all of our stakeholders, including our employees. We look forward to continuing to grow under the new Vitura Health brand and delivering on our strategic objectives for our patients, prescribers, pharmacists, suppliers and shareholders".
