

Millennium Services Group Limited (ASX: MIL)

7 February 2023

Appointment of Chief Financial Officer

Millennium Services Group Limited (ASX: MIL) CEO, Royce Galea today announced the appointment of Amarjit Sidhu as Chief Financial Officer (CFO), effective 1 March 2023.

Amarjit's succession to the role of CFO, follows over five years' experience with Millennium, most recently as Head of Finance (2IC to CFO), responsible for ASX reporting, managing the Group's independent audits, management reporting, treasury, forecasting and taxation.

Prior to Millennium, Amarjit spent nine years in audit and taxation with accounting firms across Melbourne and the United States servicing clients in the manufacturing, property development and education sectors. Amarjit has considerable experience in financial control and management, corporate governance, business partnering, taxation and treasury in the pharmaceutical, manufacturing and labour-hire industries. He has also performed significant roles in corporate acquisitions and restructures.

Amarjit has more than 25 years' experience in finance-related roles. He is an Australian Certified Practising Accountant (CPA), has completed an MBA at Deakin University and holds a Bachelor of Commerce (Accounting & Finance) from Monash University.

Mr Galea said: "I am pleased that through strategic succession planning we have been able to appoint an internal candidate to this key role in the leadership team. Amarjit's track record and extensive experience in ASX-listed companies and the labour-hire industry will be key to supporting Millennium to achieve its goals.
