

Thursday, 9 March 2023

**NATIONAL AUSTRALIA BANK LIMITED**

**ISSUE OF A\$1,250,000,000 SUBORDINATED MEDIUM TERM NOTES DUE MARCH 2033**

**NOTICE UNDER SECTION 708A(12H)(e) CORPORATIONS ACT 2001 (CTH)**

Pursuant to its domestic Debt Issuance Programme, National Australia Bank Limited ("**Issuer**") will today issue:

- A\$950,000,000 subordinated callable fixed-to-floating rate medium term notes due March 2033 ("**Fixed-to-Floating Rate MTNs**"); and
- A\$300,000,000 subordinated callable floating rate medium term notes due March 2033 ("**Floating Rate MTNs**", and together with the Fixed-to-Floating Rate MTNs, the "**Subordinated MTNs**").

The Subordinated MTNs convert into fully paid ordinary shares of the Issuer (or, in certain circumstances, an Approved NOHC) where the Australian Prudential Regulation Authority ("**APRA**") determines this to be necessary on the grounds that the Issuer would otherwise become non-viable.

This notice is a cleansing notice prepared for the purposes of section 708A(12H)(e) of the Corporations Act 2001 (Cth) ("**Corporations Act**") (as inserted by ASIC Corporations (Regulatory Capital Securities) Instrument 2016/71) to enable fully paid ordinary shares in the Issuer ("**Ordinary Shares**") or an Approved NOHC which are issued on conversion of the Subordinated MTNs to be freely tradeable without further disclosure. This notice includes:

- in schedule 1, a description of the commercial particulars of the Fixed-to-Floating Rate MTNs, extracted from the Fixed-to-Floating Rate MTNs Pricing Supplement ("**Fixed-to-Floating Rate MTNs Pricing Supplement**"); and
- in schedule 2, a description of the commercial particulars of the Floating Rate MTNs, extracted from the Floating Rate MTNs Pricing Supplement ("**Floating Rate MTNs Pricing Supplement**").

The Information Memorandum for the Issuer's domestic Debt Issuance Programme dated 12 February 2021 ("**Information Memorandum**") that was lodged with the Australian Securities Exchange ("**ASX**") on 15 February 2021 contains a description of:

- the rights and liabilities attaching to the Subordinated MTNs, in the section titled "MTN Terms and Conditions" ("**MTN Terms**"); and
- the rights and liabilities attaching to Ordinary Shares, in the section titled "Description of Ordinary Shares".

Words and expressions defined in the Fixed-to-Floating Rate MTNs Pricing Supplement, the Floating Rate MTNs Pricing Supplement or the MTN Terms have the same meanings in this notice unless the contrary intention appears.

The issue of Subordinated MTNs by the Issuer will not have a material impact on the Issuer's financial position. If a Non-Viability Trigger Event occurs and the Issuer issues Ordinary Shares, the impact of Conversion on the Issuer would be to increase the Issuer's shareholders' equity. The number of

Ordinary Shares issued on Conversion is limited to the Maximum Conversion Number. The Maximum Conversion Number is 165.6178 Ordinary Shares per Subordinated MTN (with a denomination of A\$1,000), based on an Issue Date VWAP of A\$30.19.

As a disclosing entity, the Issuer is subject to regular reporting and disclosure obligations under the Corporations Act and ASX Listing Rules. Broadly, these obligations require the Issuer to prepare and lodge with the Australian Securities & Investments Commission ("**ASIC**") both yearly and half yearly financial statements, to report on its operations during the relevant accounting periods, and to obtain audit or review reports from its auditor in respect of those accounting periods.

Copies of documents lodged with ASIC may be obtained from or inspected at an ASIC office.

The Issuer must ensure that the ASX is continuously notified of information about specific events and matters as they arise for the purposes of ASX making the information available to the Australian securities market. In this regard, the Issuer has an obligation under the Corporations Act and ASX Listing Rules (subject to certain exceptions) to notify the ASX immediately of any information concerning it of which it becomes aware, and which a reasonable person would expect to have a material effect on the price or value of its quoted securities.

The Issuer will provide a copy of any of the following documents free of charge to any person who requests a copy before the Subordinated MTNs are issued:

- the Issuer's annual financial report for the year ended 30 September 2022;
- any continuous disclosure notices given by the Issuer in the period after the lodgement of the annual financial report of the Issuer for the year ended 30 September 2022 and before the date of this notice; and
- the Issuer's constitution.

All written requests for copies of the above documents should be addressed to:

Company Secretary  
National Australia Bank Limited  
Level 28  
395 Bourke Street  
Melbourne VIC 3000

These documents are also available at [www.nabgroup.com](http://www.nabgroup.com).

This notice is not a prospectus or other disclosure document in relation to the Subordinated MTNs and does not constitute an offer or invitation for the Subordinated MTNs or any Ordinary Shares for issue or sale in Australia. Subordinated MTNs are only available for sale to persons in Australia in circumstances where disclosure is not required in accordance with Part 6D.2 of the Corporations Act and the sale is not to a retail client for the purposes of Chapter 7 of the Corporations Act.

This notice has been authorised for release by Louise Thomson, Group Company Secretary.

NOT FOR RELEASE, PUBLICATION OR DISTRIBUTION IN WHOLE OR IN PART IN OR INTO THE UNITED STATES.

The Subordinated MTNs have not been and will not be registered under the U.S. Securities Act of 1933, as amended (the "**Securities Act**"), or any U.S. state securities laws and, accordingly, may not be offered, sold, pledged or otherwise transferred within the United States or to, or for the account or benefit of, U.S. persons (as defined in Regulation S of the Securities Act), except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and applicable state securities laws. This notice does not constitute an offer or invitation to any U.S. persons.

# Schedule 1 – Description of the commercial particulars of the Fixed-to-Floating Rate MTNs

*This description is extracted from Fixed-to-Floating Rate MTNs Pricing Supplement.*
