

ASX Announcement

16 March 2023

Atomos Ltd Audit Review Status

Atomos Limited (**ASX: AMS, Atomos** or the **Company**) advises that the finalisation of the Atomos half-year financial report has been further delayed, as Management is still working with the Company's auditors to address outstanding matters related to the key areas of review focus. Trading in the Company's securities will remain suspended pending release of the report, and the Company will provide an update on the anticipated timing of the finalisation of the report, once known.

This announcement has been authorised for lodgement with ASX by the Company's Chair.

Atomos' Interactive Investor Hub,

Our investor hub is an interactive location to engage with the Atomos team on our announcements and updates. Please go to the Atomos Investor Hub for all market announcements and other news <https://announcements.atomos.com>.

We welcome investors to ask questions and add comments to which our team can respond where possible.

About Atomos:

ATOMOS designs pioneering products that transform the way film and video content is made around the world. From our range of hardware devices for monitoring and recording, easy-to-use software tools, and intelligent cloud services, we engineer best-in-class technologies and create products for the next generation of filmmakers.

Through relentless innovation, we simplify your workflow. Whether you record cinema-quality footage, monitor a scene with crystal clear colour accuracy, switch between multiple cameras, or stream a live event with a portable studio, ATOMOS empowers anyone to realize the best possible version of their creative potential.

ATOMOS is based in Melbourne, Australia, with a distributed worldwide team and offices in the USA, Japan, China, UK, and Germany and has a worldwide distribution partner network.
