Subject to the Incentive Option Plan and these terms and conditions, the Options will expire on the earlier to occur of the Options lapsing and being forfeited under the Incentive Option Plan or these terms and conditions and 5:00pm (AEST) on:

- (i) **Tranche 1 Israeli Options**: 1 April 2028;
- (ii) **Tranche 2 Israeli Options**: 1 April 2028; and
- (iii) **Tranche 3 Israeli Options**: 1 April 2028,

(each of the above dates being an **Expiry Date**). An Option not exercised before the Expiry Date will automatically lapse on the Expiry Date.

(e) **Vesting and Vesting Dates**

Subject to these terms and conditions:

- (i) the **Tranche 1 Israeli Options** will vest on 15 January 2024 provided that the Option holder is an employee or consultant of the Company at all times during the period from the date of issue and ending on the Vesting Date;
- (ii) the **Tranche 2 Israeli Options** will vest on 15 January 2025 provided that the Option holder is an employee or consultant of the Company at all times during the period from the date of issue and ending on the Vesting Date; and

- (iii) the **Tranche 3 Israeli Options** will vest on 15 January 2026 provided that the Option holder is an employee or consultant of the Company at all times during the period from the date of issue and ending on the Vesting Date; and

(each of the above dates being a **Vesting Date**).

(f) **Exercise Period**

Each vested Option is exercisable at any time and from time to time on and prior to the Expiry Date (**Exercise Period**).

(g) **Exercise of Options**

The Option holder may only exercise Options in multiples of 100,000 Options unless the Option holder exercises all Options held by the Option holder. Subject to these terms and conditions and the Incentive Option Plan, an Option holder may exercise their Options by lodging with the Company, on or prior to the Expiry Date:

- (i) a written notice of exercise of Options (in the form set out in the Incentive Option Plan) specifying the number of Options being exercised (**Exercise Notice**); and
- (ii) a cheque or electronic funds transfer, or other means of payment acceptable to the Company, including cashless exercise as described in section **Error! Reference source not found.**, for the Exercise Price for the number of Options being exercised. Cheques shall be in Australian currency made payable to the Company and crossed "Not Negotiable".

An Exercise Notice is only effective on and from the later of the date of receipt of the Exercise Notice and the date of receipt of the payment of the Exercise Price for each Option being exercised in cleared funds (if required) (**Exercise Date**).

(h) **Cashless exercise of Options**

Subject to approval by the Board at the time of exercise, an Option holder may elect not to be required to provide payment of the Exercise Price for the number of Options specified in an Exercise Notice but that on exercise of those Options the Company will transfer or allot to the holder that number of Shares equal in value to the positive difference between the then Market Value of the Shares at the time of exercise and the Exercise Price that would otherwise be payable to exercise those Options (with the number of Shares rounded down to the nearest whole Share).

Calculated in accordance with the following formula:

$$S = 0 \times (\text{MSP} - \text{EP}) \text{ MSP}$$

Where:

S - Number of Shares to be issued on exercise of the Options.

O - Number of Options.

MSP - Market Value of the Shares

EP - Option exercise price.

(i) **Timing of issue of Shares and quotation of Shares on exercise.**

Within 15 Business Days after the later of the following:

- (i) Exercise Date; and
- (ii) when "excluded information" in respect of the Company (as defined in section 708A(7) of the Corporations Act) (if any) ceases to be "excluded information",

the Company will:

- (iii) allot and issue the number of Shares required under these terms and conditions in respect of the number of Options specified in the Exercise Notice and for which cleared funds have been received by the Company (if required);
- (iv) give ASX a notice that complies with section 708A(5)(e) of the Corporations Act, if able;
- (v) if admitted to the official list of ASX at the time, apply for official quotation on ASX of Shares issued pursuant to the exercise of the Options.

If the Company is unable to deliver a notice under section **Error! Reference source not found.** (above) or such a notice for any reason is not effective to ensure that an offer for sale of the Shares does not require disclosure to investors, the Company will, as soon as is reasonably practicable, lodge with ASIC a "cleansing prospectus" prepared in accordance with the Corporations Act and do all such things reasonably necessary to satisfy section 708A(11) of the Corporations Act to ensure that an offer for sale of the Shares does not require disclosure to investors. Where a "cleansing prospectus" is required, any Shares issued on exercise of Options will be subject to a holding lock until such time as a prospectus is issued by the Company.

(j) **Quotation**

- (i) The Company will not apply for quotation of the Options on the ASX.
- (ii) If admitted to the Official List of the ASX at the time, application will be made by the Company to ASX for quotation of the Shares issued upon the exercise of the Options in accordance with the Listing Rules.

(k) **Ranking of Shares**

All Shares allotted upon the exercise of Options will upon allotment rank *pari passu* in all respects with other Shares.

(l) **Transfer**

The Options are only transferrable in special circumstances as set out in the Incentive Option Plan.

(m) **Dividend and voting rights**

The Options do not confer on the holder an entitlement to vote at general meetings of the Company or to receive dividends.

(n) **Participation rights**

- (i) There are no participating rights or entitlements inherent in the Options and holders will not be entitled to participate in new issues of capital offered to Shareholders during the currency of the Options without exercising the Options.
- (ii) An Option does not confer the right to a change in Exercise Price or in the number of underlying Shares over which the Option can be exercised.

The Company will ensure that, for the purposes of determining entitlements to any such issue, the record date will be the minimum period required by the Listing Rules after the issue is announced. This will give Option holders the opportunity to exercise their Options prior to the date for determining entitlements to participate in any such issue.

(o) **Adjustments for reorganisation**

If at any time the capital of the Company is reorganised (including consolidation, subdivision, reduction or return), the terms of the Options will be changed in a manner consistent with the Corporations Act and the Listing Rules at the time of the reorganisation. Whenever the number of Shares to be issued on exercise of an Option or the Exercise Price is adjusted pursuant to these terms and conditions, the Company will give notice of the adjustment to the Option holder and ASX together with calculations on which the adjustment is based.

(p) **Israeli Participant**

The Options granted to participants who are residents of the Israel or those who are deemed to be residents of Israel for tax purposes shall be subject to the terms and provisions set out in the Israeli Sub-Plan to the Incentive Option Plan.
