Dear Dean

Request for trading halt: Optima Technology Group Ltd (ASX Code: OPA)

We request a trading halt to be applied to our securities under ASX Listing Rule 17.1 and set out below details of the request as per the rules of the ASX.

We would like the trading halt to apply immediately (on Monday, 1 May 2023), until the commencement of trading on Wednesday, 3 May 2023.

Reasons for trading halt: To enable the preparation of an announcement in relation to a material contract regarding the provision of services by the Company.

How long we want the trading halt to last: 2 days (as noted above).

The event we expect to happen that will end the trading halt: announcement in relation to the material contract.

We confirm that we are not aware of any reason why the trading halt should not be granted.

Yours sincerely,
