Equity Incentive Plan Rules

Introduction

The purpose of this Equity Incentive Plan (**EIP**) is to allow the Board to make Offers to Eligible Employees to acquire securities in The Hydration Pharmaceuticals Company Limited (**the Company**) and to otherwise incentivise employees.

These Rules outline the terms and conditions upon which Offers will be made, including:

- the process for making and accepting Offers under the EIP (**Part A**);
- the type of securities that may be offered (being Rights, Options and Restricted Shares) (**Part B**); and
- the general terms and conditions that apply to Shares and other securities under the EIP (**Part C**).

Capitalised terms are defined in Part D of these Rules.

Part A

1 Offers of Incentive Securities

1.1 Board to make invitations

- (a) The Board may, from time to time, in its absolute discretion invite Eligible Employees to participate in a grant of Incentive Securities, which may comprise any one or more of:
 - (i) Rights;
 - (ii) Options; and
 - (iii) Restricted Shares,(**Offer**).
- (b) Offers will be made on the terms set out in the EIP and/or on any additional or alternative terms as the Board determines, as specified in the terms of an Offer.

1.2 Information to be provided to Participants

Without limiting the Board's discretion, each Eligible Employee should be advised of the following information in connection with an Offer:

- (a) the type and number of Incentive Securities being offered, or the method by which the number will be calculated;
- (b) the amount (if any) that will be payable for the grant of Incentive Securities;

- (c) any Vesting Conditions or other conditions that apply, including any Vesting Period;
- (d) the procedure for exercising an Option (including any Exercise Price that will be payable) following Vesting and the period(s) during which it may be exercised;
- (e) where the Board has made a determination pursuant to rules 2.2(e) or 3.2(f), that the Vesting of Rights and/or exercise of Options (as applicable) will only be satisfied through an allocation of Shares;
- (f) the circumstances in which Rights and/or Options will lapse, Shares (including Restricted Shares) allocated under the EIP may be forfeited or a Participant's entitlement to Incentive Securities may be reduced;
- (g) how Incentive Securities may be treated in the event that the Eligible Employee ceases their employment or engagement with a Group Company, and any discretions retained by the Board under rule 8 in this regard;
- (h) any restrictions (including the period of restriction) on Dealing in relation to a Restricted Share or Share allocated to the Eligible Employee under this EIP;
- (i) any circumstances in which a Participant's entitlement to Incentive Securities may be reduced or extinguished pursuant to rule 6(b); and
- (j) any other information that is required by applicable law or applicable class order (including the ESS Provisions or Class Order) that is being relied on.

1.3 Acceptance of Offer

- (a) Acceptance of an Offer must be made by the Eligible Employee in accordance with the instructions that accompany the Offer, or in any other way the Board determines.
- (b) The Board may, at its discretion, refuse to allow the participation of an Eligible Employee where that Eligible Employee ceases to be an Eligible Employee, or ceases to satisfy any other conditions imposed by the Board, before the grant is made.
- (c) Nothing limits the Board's ability to treat the conduct of an Eligible Employee in respect of an Offer (including the failure of an Eligible Employee to lodge an election not to participate within the time specified in the instructions accompanying the Offer) as valid acceptance of that Offer under these Rules.

1.4 Offer terms and conditions take precedence

To the extent of any inconsistency, the terms and conditions advised to an Eligible Employee by the Board in an Offer will prevail over any other provision of these Rules.

1.5 No prohibited financial assistance

No person may, whether directly or indirectly, provide financial assistance that is prohibited by the Corporations Act to an Eligible Employee for the purposes of, or in connection with, the acquisition or exercise of Incentive Securities under the Plan.

1.6 Plan Limit

- (a) Where an Offer is made under the EIP in accordance with the employee share scheme provisions set out in Part 7.12 of the Corporations Act (**ESS Provisions**), the Board must, at the time of making the Offer, have reasonable grounds to believe that the total number of Shares (or in respect of Rights or Options, the total number of Shares which would be issued if those Rights or Options were exercised) will not exceed the prescribed limit under the ESS Provisions
- (**Plan Limit**).
- (b) For the avoidance of doubt, offers under the Plan that are not made in reliance on the ESS Provisions, Class Order or other ASIC class order or case-by-case relief are not included in the Plan Limit calculation, for example:
- (i) an offer to a person situated at the time of receipt of the offer outside Australia;
 - (ii) an offer that did not need disclosure to investors because of section 708 of the Corporations Act;
 - (iii) an offer that did not require the giving of a product disclosure statement because of section 1012D of the Corporations Act; or
 - (iv) an offer made under a disclosure document or product disclosure statement.
- (c) The Plan Limit shall be subject to adjustment or increase as may be permitted by applicable law.

1.7 Quotation

Options and Rights will not be quoted on ASX. Application will be made to ASX for official quotation of any Shares issued under the Plan to the extent required by the ASX Listing Rules if the Shares are listed on ASX at the time.

Part B

- (e) The Board may determine, prior to making a grant of Rights, that the Vesting of those Rights will only be satisfied through an allocation of Shares to the Participant in accordance with rule 2.2(c), and not by making a cash payment under rule 2.2(d).

- (b) If the Vesting of an Option would arise in a period where Dealings by a Participant would be prohibited, the Board may determine that Vesting will be delayed until such time as Dealings are permitted. For the avoidance of doubt, the Board may determine that Vesting will be delayed only in relation to the affected Participant or in relation to some or all of Participants who hold Options under the EIP (irrespective of whether they are subject to the Dealing restriction).
- (c) The exercise of any Option granted under the EIP will be effected in the form and manner determined by the Board, and, subject to rule 3.5(a), must be accompanied by payment of the relevant Exercise Price (if any).

- (f) The Board may determine, prior to making a grant of Options, that the exercise of those Options will only be satisfied through an allocation of Shares to the Participant in accordance with rule 3.2(d) and not by making a cash payment under rule 3.2(e).
- (g) Vesting occurs upon notification from the Company to the Participant that an Option has Vested pursuant to this rule 3.2.

No further action is required on the part of the Participant.

In determining a different change in Control treatment to apply to an Offer, the Board may preserve some or all of its discretions under this rule 9.

be provided with shares of the Acquiring Company or its parent in lieu of Shares in such manner as the parties may agree (including by a replacement security or exchange of Shares issued on Vesting or exercise) and on substantially the same terms and on substantially the same conditions but with any necessary or appropriate adjustments to the number and kind of shares.

10 Power to adjust Rights and/or Options and the Exercise Price

- (a) Subject to rule 10(b), prior to the allocation of Shares to a Participant upon Vesting of Rights or exercise of Options, the Board may grant additional Rights or Options or make any adjustments it considers appropriate to the terms of a Right and/or Option granted to that Participant in order to minimise or eliminate any material advantage or disadvantage to a Participant resulting from a corporate action by, or capital reconstruction in relation to, the Company, including but not limited to any return of capital. Adjustments that may be made include adjustments to:
 - (i) the number of Rights or Options to which the Participant is entitled;
 - (ii) the number of Shares to which the Participant is entitled upon Vesting of Rights or exercise of Options;
 - (iii) any amount payable on Vesting of Rights or exercise of Options (including the Exercise Price); or
 - (iv) where appropriate, a combination of paragraphs (i), (ii) and/or (iii) above.
- (b) If the Company is listed then, without limiting rule 10(a), if:
 - (i) Shares are issued pro rata to the Company's shareholders generally by way of a rights issue, Options will be adjusted in accordance with ASX Listing Rule 6.22.2 (or any replacement rule); or
 - (ii) Shares are issued pro rata to the Company's shareholders generally by way of a bonus issue (other than an issue in lieu of dividends or by way of a dividend reinvestment) involving capitalisation of reserves of distributable profits, Options and Rights will be adjusted in the manner required by the Listing Rules; or

- (c) Where additional Rights or Options are granted to the Participant under this rule 10, such Rights or Options will be subject to the same terms and conditions as the original Rights or Options granted to the Participant (including without limitation, any Vesting Conditions), unless the Board determines otherwise.
- (d) The Board must, as soon as reasonably practicable after making any additional grants or adjustments under this rule 10, give notice in writing to any affected Participant.

11 Dividends and other rights

11.1 Dividends and other rights associated with Shares

- (a) Subject to the terms of any Trust Deed (if applicable) or Offer, the following rules apply in respect of Shares allocated to, or on behalf of, a Participant under this EIP (including Restricted Shares allocated under rule 4.1):
 - (i) the Participant is entitled to receive all dividends and other distributions or benefits payable to the Participant or to the Trustee in respect of the Shares;
 - (ii) the Participant is entitled to exercise, or to direct the Trustee in writing how to exercise, the voting rights attaching to the Shares, either generally or in a particular case;
 - (iii) any bonus shares that are issued in respect of the Shares will be issued to the Participant, or to the Trustee on the Participant's behalf, and will be held by the Participant or Trustee as Shares subject to the same terms, conditions and restrictions on Dealing (if any) as the Shares in respect of which they were issued; and
 - (iv) if rights arise on a rights issue in respect of the Shares, the Participant may Deal with or exercise those rights, or instruct the Trustee (if applicable) in relation to those rights in accordance with the Trust Deed. If the Shares are held by the Trustee on the Participant's behalf and the Participant does not instruct the Trustee how to Deal with the rights, the rights will be Dealt with in accordance with the Trust Deed.

11.2 Dividend equivalent payments and other rights associated with Rights and Options

- (a) Unless or until Shares are allocated to a Participant following Vesting or exercise of their Rights or Options (as applicable), the Participant has no interest in those Shares in respect of which the Right or Option was granted.
- (b) Notwithstanding rule 11.2(a), the Board may determine at the time an Offer is made that a dividend equivalent payment will be paid to a Participant who becomes entitled to an allocation of Shares (or equivalent cash

amount) following the Vesting or exercise of Rights or Options granted to that Participant (as applicable) under that Offer.

- (c) Subject to the terms of any Offer, a dividend equivalent payment:
 - (i) will be approximately equal to the amount of dividends that would have been payable to the Participant had they been the owner of the Shares referred to in rule 11.2(b) during the Vesting Period;
 - (ii) will not be grossed up or otherwise adjusted to account for any tax consequences which would have applied if the Participant had actually been paid a dividend; and
 - (iii) may be satisfied through the allocation of Shares or payment of cash.

12 Withholding

- (a) If the Company, the Group, a Group Company, the Trustee or a Plan administrator is obliged, or reasonably believes it may have an obligation, as a result of or in connection with any grant of Incentive Securities or allocation of Shares under this EIP, to account for:
 - (i) income tax or employment taxes under any wage, withholding or other arrangements; or
 - (ii) any other tax, social security contributions or levy or charge of a similar nature,

that is a liability of the Participant, then the relevant Group Company is entitled to be reimbursed by the Participant for the amount or amounts so paid or payable.
- (b) Where rule 12(a) applies, the relevant Group Company, the Trustee or the Plan administrator is not obliged to grant any Incentive Securities, to allocate Shares or to make a cash payment in accordance with rules 2.2(d) or 3.2(e) unless the Company is satisfied that arrangements for payment or reimbursement of the amounts referred to in rule 12(a) have been made. Those arrangements may include, without limitation:
 - (i) the provision by the Participant of sufficient funds to reimburse the Group Company, Trustee or Plan administrator for the amount (by salary deduction, reduction of any amount owed by the Group to the Participant or otherwise);

- (v) lapse or forfeiture of a sufficient number of Rights, Options and/or Shares to satisfy the debt the Participant owes to the Group Company, Trustee or Plan administrator. Unless the Group Company, Trustee or Plan administrator (as applicable) and the Participant agree to use a different valuation, any Rights, Options and/or Shares lapsed or forfeited (as applicable) under this rule will be valued at the Current Market Price on the date of lapse or forfeiture.

13 Amendments

13.1 Power to make amendments

- (a) Subject to rule 13.2, the Board may at any time by resolution:
 - (i) amend or add to (amend) all or any of the provisions of the EIP;
 - (ii) amend the terms or conditions of any Incentive Security granted under the EIP; or
 - (iii) suspend or terminate the operation of the EIP.
- (b) Notwithstanding rule 13.2, the Board may waive, amend or replace any Vesting Condition attaching to an Incentive Security if the Board determines that the original Vesting Condition is no longer appropriate or applicable (including, without limitation, where a Vesting Condition refers to a particular stock market index that is no longer published or there is a corporate action by the Company, including a discounted rights issue, which impacts on the Vesting Condition), provided that the interests of the relevant Participant are not, in the opinion of the Board, materially prejudiced or advantaged relative to the position reasonably anticipated at the time of the grant.

13.2 Restrictions on amendments

Without the consent of the Participant, the Board may not exercise its powers under rule 13.1(a) in a manner which reduces the rights of the Participant in respect of any Incentive Security or Share already granted other than an amendment introduced primarily:

- (a) for the purpose of complying with or conforming to present or future laws governing or regulating the maintenance or operation of the EIP or similar plans, in any jurisdiction in which invitations under the EIP have been made;
- (b) to correct any manifest error or mistake; or
- (c) to take into consideration possible adverse tax implications in respect of the EIP arising from, amongst others, adverse rulings, changes to tax legislation and/or changes in the interpretation of tax legislation by a court of competent jurisdiction.

13.3 Notice of amendment

As soon as reasonably practicable after making any amendment under rule 13.1, the Board will give notice in writing of that amendment to any Participant affected by the amendment.

14 Participants based overseas

14.1 Overseas transfers

If a Participant is required to work in another country at the direction of the Company and, as a result of that transfer:

- (a) the Participant or any Group Company would suffer a tax disadvantage in relation to their Incentive Securities (this being demonstrated to the satisfaction of the Board);
- (b) the Company would be restricted in its ability to Vest Incentive Securities and/or allocate Shares to the Participant; or
- (c) the Participant would become subject to restrictions on their ability to Deal with the Incentive Securities or any Shares allocated to the Participant in respect of those Incentive Securities because of the security laws or exchange control laws of the country to which he or she is transferred,

then, if the Participant continues to hold an office or employment with the Group, the Board may decide that:

- (d) some or all of the Participant's Restricted Shares or Rights will Vest;
- (e) some or all of the Participant's Options will Vest and become exercisable;
- (f) some or all of the Participant's Options or Rights will be settled in cash in lieu of Shares; or
- (g) any other treatment that the Board determines will apply in relation to some or all of a Participant's Incentive Securities,

with the balance (if any) continuing to be held on the original terms.

14.2 Non-Australian residents

- (a) The Board may adopt additional rules of the EIP that will apply to a grant made to an Eligible Employee who is a resident in a jurisdiction other than Australia, including by attaching a schedule to these Rules.
- (b) The remaining provisions of these Rules will apply subject to whatever alterations or additions the Board may determine having regard to any securities, exchange control, taxation or other laws and/or regulations or any other matter that the Board considers directly or indirectly relevant.
- (c) To the extent of any inconsistency, any additional rules adopted by the Board under this rule will prevail over any other provision of these Rules.

15 Miscellaneous

15.1 Shares issued under the EIP

- (a) Any Shares issued under the EIP will rank equally in all respects with other Shares for the time being on issue by the Company (for example, having rights with respect to voting, dividends and other distributions, and in the

event of a winding up of the Company), except in relation to any rights attaching to such Shares by reference to a record date prior to the date of their issue.

- (b) If the Company is listed, the Company will apply for quotation of Shares issued under the EIP within the period required by the Listing Rules.

- (a) Unless the subject of an express provision in an employment contract, the rights and obligations of any Participant under the terms of their office, employment or contract with the Group are not affected by their participation in the EIP.
- (b) Participation in the EIP does not confer on any Participant any right to future employment and does not affect any rights which any member of the Group may have to terminate the employment of any Participant.
- (c) These Rules will not form part of and are not incorporated into any contract of any Participant (whether or not they are an employee of the Group).
- (d) The grant of Incentive Securities on a particular basis in any year does not create any right or expectation of the grant of Incentive Securities on the same basis, or at all, in any future year.
- (e) No Participant has any right to compensation for any loss in relation to the EIP, including:
 - (i) any loss or reduction of any rights or expectations under the EIP in any circumstances or for any reason (including lawful or unlawful termination of employment or the employment relationship);

 - (iv) lapse or forfeiture (as applicable) of any Incentive Securities.
- (f) The Participant irrevocably appoints each company secretary of the Company (or any other officer of the Company authorised by the Board for this purpose) as his or her attorney to do anything necessary to:
 - (i) allocate Shares to the Participant in accordance with these Rules;
 - (ii) effect a forfeiture of Shares in accordance with these Rules (including rule 7 or the terms of an Offer); and
 - (iii) execute transfers of Shares in accordance with these Rules.

15.3 Power of the Board to administer the EIP

- (i) determine appropriate procedures for administration of the EIP consistent with these Rules including to implement an employee share trust for the purposes of delivering and holding Shares on behalf of Participants upon the grant of Restricted Shares or the Vesting of Rights or exercise of Options; and
 - (ii) delegate to any one or more persons for such period and on such conditions as it may determine the exercise of any of its powers or discretions arising under the EIP.
- (b) Except as otherwise expressly provided in the EIP, the Board has absolute and unfettered discretion to act or refrain from acting under or in connection with the EIP and in the exercise of any power or discretion under the EIP.

15.5 Application of Corporations Act and Listing Rules

Notwithstanding any other provisions of the EIP, Incentive Securities and Shares will not be allocated, issued, acquired, transferred or otherwise dealt with under the EIP if to do so would:

- (a) contravene the Corporations Act including the ESS provisions, any applicable Listing Rules, the Class Order (if being relied on) or any other applicable laws or class order that is being relied on (including any applicable foreign law); or
- (b) require the Company or any Group Company to pay, provide, or procure the payment or provision of, any money or benefits to the Participant which would require shareholder approval under Part 2D.2, Division 2 of the Corporations Act.

15.6 Dispute or disagreement

In the event of any dispute, disagreement or uncertainty as to the interpretation of the EIP, or as to any question or right arising from or related to the EIP or to any Incentive Securities or Shares granted under it, the decision of the Board is final and binding.

15.7 Approved leave of absence

Subject to applicable laws, at the discretion of the Board, a Participant who is granted an approved leave of absence and who exercises their right to return to work under any applicable award, enterprise agreement, other agreement, statute or regulation may be treated as not having ceased to be an employee for the purposes of rule 8 of the Rules. Whether a Participant who is granted leave without pay is deemed to have ceased employment will be determined with reference to the Group's policies and any applicable laws.

(e) **Vesting of Awards.** The vesting provisions of an individual Award shall be contained in the grant documentation with respect to such Award.

In the absence of such a determination by the Board to the contrary, an Award will not be transferable except by will and the laws of descent and distribution, and will be exercisable during the lifetime of the U.S. Participant only by the U.S. Participant. An Award may not be transferred for consideration.

The Board’s determination will be final, binding and conclusive. **“Capitalization Adjustment Event”** means any change that is made in, or other events that occur with respect to, the Shares of the Company subject to the Plan or subject to any Award after the Effective Date without the receipt of consideration by the Company through merger, consolidation, reorganization, recapitalization, reincorporation, stock dividend, dividend in property other than cash, large nonrecurring cash dividend, stock split, reverse stock split, liquidating dividend, combination of shares, exchange of shares, change in corporate structure, or any similar equity restructuring transaction, as that term is used in Statement of Financial Accounting Standards Board Accounting Standards Codification Topic 718 (or any successor thereto).

If an Option is not specifically designated as an Incentive Stock Option, or if an Option is designated as an Incentive Stock Option but some portion or all of the Option fails to qualify as an Incentive Stock Option under the applicable rules, then the Option (or portion thereof) will be a Nonstatutory Stock Option.

(c) Maximum Shares Issuable On Exercise of ISOs. Subject to the adjustment provisions of Section 3(g) hereof, the maximum aggregate number of Shares that may be issued upon the exercise of Incentive Stock Options is 25,000,000 Shares.

(d) Limits for 10% Stockholders. A person who owns (or is deemed to own pursuant to Section 424(d) of the Code) stock possessing more than ten percent (10%) of the total combined voting power of all classes of stock of the Company or any affiliate, will not be granted an Incentive Stock Option unless the exercise price of such Option is at least one hundred ten percent (110%) of the Fair Market Value on the date of grant and the Option is not exercisable after the expiration of five (5) years from the date of grant.

(e) No Transfer. As provided by Section 422(b)(5) of the Code, an Incentive Stock Option will not be transferable except by will or by the laws of descent and distribution, and will be exercisable during the lifetime of the U.S. Participant only by the U.S. Participant. If the Board elects to allow the transfer of an Option by a U.S. Participant that is designated as an Incentive Stock Option, such transferred Option will automatically become a Nonstatutory Stock Option.

(f) Post-Termination Exercise Period. To obtain the U.S. federal income tax advantages associated with an Incentive Stock Option, the Code requires that at all times beginning on the date of grant and ending on the day three (3) months before the date of exercise of the Option, the U.S. Participant must be an employee of the Company or a subsidiary (except in the event of the U.S. Participant’s death or disability, in which case longer periods apply). The Company cannot guarantee that the Option will be treated as an Incentive Stock Option if the U.S. Participant continues to provide services to the Company or a subsidiary after such U.S. Participant’s employment terminates or if the U.S. Participant otherwise exercises the Option more than three (3) months after the date his or her employment terminates, or the Option otherwise fails to qualify as an Incentive Stock Option

(g) US \$100,000 Limit. As provided by Section 422(d) of the Code and applicable regulations thereunder, to the extent that the aggregate Fair Market Value (determined at the time of grant) of Shares with respect to which Incentive Stock Options are exercisable for the first time by any U.S. Participant during any calendar year (under all plans of the Company and any Subsidiary) exceeds US\$100,000 (or such other limit established in the Code) or otherwise does not comply with the rules governing Incentive Stock Options, the Options or portions thereof that exceed such limit (according to the order in which they were granted) or otherwise do not comply with such rules will be treated as Nonstatutory Stock Options, notwithstanding any contrary provision of the applicable grant documentation.

(h) Disqualifying Disposition. If a U.S. Participant disposes of Shares acquired upon exercise of an Incentive Stock Option within two years from the Grant Date or one year after such Shares were acquired pursuant to exercise of such Option, the U.S. Participant shall notify the Company in writing of such disposition.

5. Tax Matters

(a) Tax Withholding Requirement. Prior to the delivery of any Shares pursuant to the exercise or settlement of an Award, the Company will have the power and the right to deduct or withhold, or require a U.S. Participant to remit to the Company, an amount sufficient to satisfy U.S. federal, state, local, foreign or other taxes (including the U.S. Participant's FICA obligation) required to be withheld with respect to such Award.

(b) Withholding Arrangements. The Company may, in its sole discretion, satisfy any U.S. federal, state, local, foreign or other tax withholding obligation relating to an Award by any of the following means or by a combination of such means: (i) causing the U.S. Participant to tender a cash payment; (ii) withholding Shares issued or otherwise issuable to the U.S. Participant in connection with the award; (iii) withholding payment from any amounts otherwise payable to the U.S. Participant; or (iv) such other means as the Board may determine.

(c) No Obligation to Notify or Minimize Taxes. The Company will have no duty or obligation to the U.S. Participant to advise such holder as to the time or manner of exercising an Option. Furthermore, the Company will have no duty or obligation to warn or otherwise advise such holder of a pending termination or expiration of an Option or a possible period in which the Option may not be exercised. The Company has no duty or obligation to minimize the tax consequences of an Award to the U.S. Participant.

(d) Section 409A of the Code. Notwithstanding anything in the U.S. Sub-Plan to the contrary, the U.S. Sub-Plan and Awards granted hereunder are intended to be exempt from or comply with the requirements of Section 409A of the Code and shall be interpreted in a manner consistent with such intention. Each payment to a Participant made pursuant to this U.S. Sub-Plan shall be considered a separate payment for purposes of Section 409A of the Code. If upon a Participant's "separation from service" (as defined in Section 409A of the Code) he or she is then a "specified employee" (as defined in Section 409A of the Code), then solely to the extent necessary to comply with Section 409A of the Code and avoid the imposition of taxes under Section 409A of the Code, the Company shall defer payment of "nonqualified deferred compensation" subject to Section 409A of the Code payable as a result of and within six (6) months following such separation from service under this Sub-Plan until the earlier of (i) the first business day of the seventh month following the Participant's separation from service, or (ii) ten (10) days after the Company receives written confirmation of the Participant's death. Any such delayed payments shall be made without interest. In no event whatsoever shall the Company be liable for any additional tax, interest or penalties that may be imposed on a Participant by Section 409A of the Code or any damages for failing to comply with Section 409A of the Code.

6. Term, Amendment and Termination of the U.S. Sub-Plan.

(a) The Board may amend, suspend or terminate this U.S. Sub-Plan at any time. Unless terminated sooner by the Board, the U.S. Sub-Plan will terminate automatically upon the earlier of (i) 10 years after the Effective Date and (ii) the termination of the Plan.

(b) If this U.S. Sub-Plan is terminated, the provisions of this U.S. Sub-Plan and any administrative guidelines, and other rules adopted by the Board and in force at the time of suspension or termination of this U.S. Sub-Plan, will continue to apply to an outstanding Award for as long as such Award remains outstanding.

(c) No amendment, suspension or termination of the U.S. Sub-Plan may materially adversely affect any Awards granted previously to any U.S. Participant without the consent of the U.S. Participant.

7. Miscellaneous.

(a) This U.S. Sub-Plan shall be governed by and construed in accordance with the laws of the State of Delaware without reference to such state's principles of conflicts of laws.

(b) No Right to Employment or Other Status. No person shall have any claim or right to be granted an Award under this U.S. Sub-Plan, and the grant of an Award shall not be construed as giving a U.S. Participant the right to continued employment or any other service relationship.

(c) Conditions on Delivery of Shares. The Company will not be obligated to deliver any Shares pursuant to this U.S. Sub-Plan or to remove restrictions from Shares previously delivered under this U.S. Sub-Plan until:

(i) all conditions of the Award have been met or removed to the satisfaction of the Company;

(ii) in the opinion of the Company's counsel, all other matters with respect to Applicable Laws in connection with the issue, allotment and delivery of such Shares have been satisfied; and

(iii) the U.S. Participant has executed and delivered to the Company such representations or agreements as the Company may consider appropriate to satisfy the requirements of any Applicable Laws.
