

MOVE RENEWS SERVICE CONTRACT WITH Z ENERGY

Transport and logistics group, MOVE Logistics Group Limited (NZX/ASX: MOV), advises that its MOVE Fuel business has renewed its fuel transport and distribution contract with Z Energy (Z), continuing its successful partnership with Z.

The renewed supply contract covers delivery of fuel from Z's terminals to its nationwide network of retail and truck stops, which includes Caltex branded sites.

Z Energy Head of Supply, Eugene Nicholson, said: "We're pleased to have renewed our partnership with MOVE, providing our customers with ongoing security of supply through a focus on strong performance. Recent weather events have shown the strength of the partnership in action, ensuring supplies continue to be delivered regardless of logistical challenges such as road access."

MOVE divisional COO, James Watters, said: "Our aim at MOVE is to provide effortless, integrated solutions that meet our customers' needs. We continually invest in our people and are proud of our strong safety record and significant expertise in fuel delivery across New Zealand. We are delighted that Z recognise the value in our service and look forward to our continuing partnership with them."

MOVE Logistics Group is one of the largest domestic freight and logistics businesses in New Zealand. With over 150 years' experience, MOVE provides customers with end-to-end solutions to meet their most complex logistics challenges. Its specialist road tanker division is one of the largest operators in the New Zealand fuel delivery market.
