

## Basel III Pillar 3 Disclosures: Prudential Standard APS 330

31 May 2023

Bendigo and Adelaide Bank Limited (ASX:BEN), is an Authorised Deposit-taking Institution (ADI) subject to regulation by the Australian Prudential Regulation Authority (APRA). Attached is the prudential information required to be disclosed in accordance with Prudential Standard APS 330.

The prudential disclosures have been prepared for Bendigo and Adelaide Bank Limited.

The disclosures provided have been prepared as at 31 March 2023.

This overall increase in the Bank's capital ratios is higher than the estimated 60-70 bps benefit disclosed in February 2023. This is due to a combination of credit risk and operational risk weighted asset reductions under the new standards and other factors relating to actual earnings and risk weighted asset forecasts.

Approved for release by: Bendigo and Adelaide Bank Board.

**Notes**

<sup>1</sup> The revised treatment under the Basel III new capital framework has been applied from March 2023 reporting period. Prior period comparatives have not been adjusted.

<sup>2</sup> Please refer to Table 5 for securitisation exposures.

<sup>3</sup> The reduction in Operational Risk weighted assets during the quarter is attributed to the application of the new Prudential Standard APS 115 Capital Adequacy: Standardised Measurement Approach to Operational Risk which was effective from 1 January 2023.

#### Notes

<sup>11</sup> As per BEN's ASX release dated 21 October 2020, APRA has advised the Bank that an overlay of 10 per cent will be added to net cash outflows from 2 November 2020. This is to remain in place until all BEN have met APRA's NCO overlay removal conditions to their satisfaction. The average net cash outflow overlay from 1 October 2022 to 31 December 2022 was \$981 million, and from 1 January 2023 to 31 March 2023 was \$996 million. These amounts are reported at item 24 total net cash outflows.
