The fair value of the Molopo Investment was based on significant estimates and judgements adopted by the Board of Aurora based on all available information about Molopo as at the current date. The Aurora Board considered the range of possible values and determined that the fair value of the Molopo investment held by the Fund should be valued at nil.

On 17 December 2021, Molopo Energy Limited (Molopo) advised (on its website) that it had settled the legal action against the former Molopo directors for A\$12 million. This equates to 4.8 cents per Molopo share (based on 249,040,648 shares on issue). The Fund currently has a relevant interest in 12,771,679 Molopo shares, equating to \$613,040 (at 4.8 cents per Molopo share), which would increase AIB's NTA by 8.9 cents per unit.
