Dear Sir,

**Request for Trading Halt**

As foreshadowed in the Company's announcement on 23 March 2023, the Company is due to release the results of the further thermal testing on samples of Uley Graphite at higher temperatures.

The Company requests that its shares be placed in a trading halt until such time as the announcement is released to the Market. At the latest, the announcement should be released Tuesday, 27 June and the trading halt should then be able to be lifted.

The Company is not aware of any reason why the trading halt should not be granted.

The Company consents to this letter being released to the market.

Yours Faithfully

Rochelle Pattison  
Company Secretary
