Australian consumer healthcare company Wellnex Life Limited (ASX:WNX) ("WNX" or "the Company"), a developer, distributor and marketer of registered products and brands, is pleased to announce that it will hold an investor webinar on Tuesday, 4 July 2023, at 10.30AM AEST.

In the webinar, Wellnex Life's CEO Mr George Karafotias and MD Zack Bozinovski will discuss the ramifications of the decision by world-leading consumer health company Haleon to extend its existing Supply Agreement with the Company. Both will highlight how the upgraded Supply Agreement:

- Builds on that initially in place, from both a geographic footprint and product range perspective
- Reflects the increased market traction of Wellnex Life's product range
- Demonstrates that significant partnership arrangements build distribution
- Validates the scale benefits of Wellnex Life's core strategy of owning healthcare brands and IP.

The webinar is expected to run for approximately 30 minutes. The presentation will be followed by a Q&A session. Investors are encouraged to send their questions to Wellnex Life's investor relations executive Julia Maguire via [julia@thecapitalnetwork.com.au](mailto:julia@thecapitalnetwork.com.au) prior to the webinar. Questions can also be submitted during the webinar via chat box.
