Dear Dean

Request for trading halt: Optima Technology Group Ltd (ASX Code: OPA) ('Optima')

Optima requests a trading halt to be applied to our securities under ASX Listing Rule 17.1 prior to commencement of trading today.

The trading halt is requested to enable Optima to prepare and release a market announcement regarding an update on the Company's financial arrangements. In accordance with ASX Listing Rule 17.1, Optima provides the following information in respect of the request:

1. The trading halt is necessary to assist Optima in managing its continuous disclosure obligations as Optima expects to make an announcement to the ASX in relation to the above.
2. Optima requests that the trading halt continues until the earlier of (i) commencement of normal trading on Thursday, 13 July 2023, or (ii) when the market announcement in relation to the above is made.
3. Optima expects to make the announcement to the market before the commencement of normal trading on Thursday, 13 July 2023.

We confirm that we are not aware of any reason why the trading halt should not be granted.

Yours sincerely,

Lior Harel
