Quarterly business update and Appendix 4C

14 July 2023

Cashflow Positive June driven by US growth

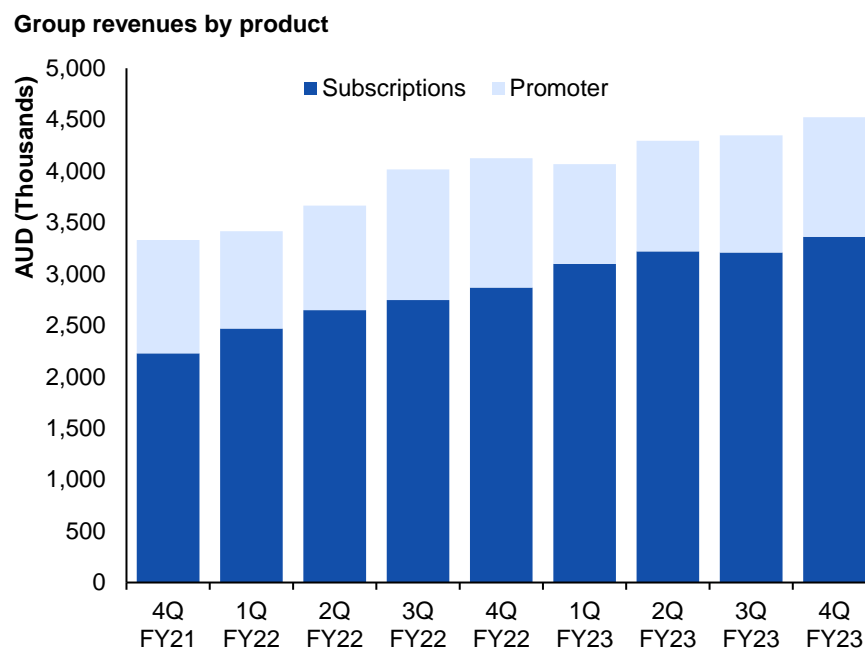

Highlights:

- June was a cash flow positive month
- US continues to drive growth
 - US Reviews (a leading indicator of subscriptions) up 78% YOY
 - US subscription revenues up 79% 4Q FY23 vs 4Q FY22
- Group subscription revenue up 17% 4Q FY23 vs 4Q FY22
- Net cash burn of \$269k, down 43% 4Q FY23 vs 4Q FY22

Quarterly performance

Quarterly subscription revenues were up 17% to \$3.4m compared with 4Q FY22. US subscriptions increased 79% over the same period. This is considered a great result in an environment where Real Estate transactions in all markets have been trending below historical averages.

Promoter, delivered \$1.2m in revenue in 4Q FY23.

CEO Michael Davey said, “The US growth is pleasing, with several initiatives contributing to our growth as we refine our US entry strategy.”

Mr. Davey went on to say, “June was another month of positive cash flows and we are on track to being cash flow positive on a consistent basis.”

USA

Agents on the platform and reviews

Reviews and platform usage are leading indicators for paid subscriptions. As of 30 June 2023 c.259,000 agents on the platform had collected over 722,000 reviews, up 78% on 30 June 2022.

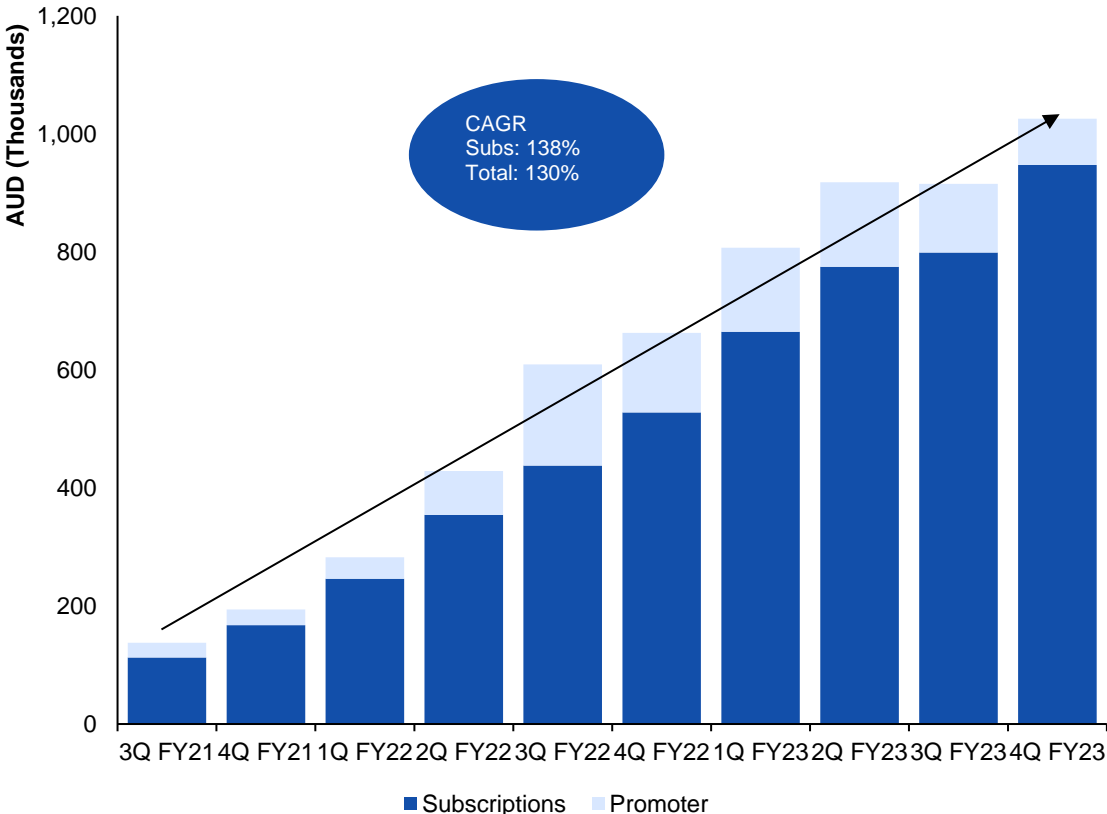

The real estate environment in the US remains challenging, with total property sales in the market down c.20% YoY. RMA’s target market is the top 30% of agents responsible for over 80% of transactions. These agents are more resilient in market downturns and because they hold the lion’s share of their market and continue to promote their profiles and business.

US Revenue

The Company’s focus in the US is to monetise the current agent base, particularly in Florida. Refinement to our entry strategy are improvements to agent onboarding & paid tiers, expanding the product offering and revising pricing and partnerships. Two key partnerships, Realtor.com and eXp Realty went live in February and May 2023 respectively. This has markedly increased review traffic and our pipeline metrics, which is influencing paid subscriptions. Subscription revenues in 4Q FY23 are up 79% on 4Q FY22, with new sales breaking previous records.

Promoter revenues, which are comparatively more resource intensive and with lower margins than subscriptions, were down following changes in November to redirect resources to focus on subscriptions.

US Quarterly Revenues

ANZ Revenue

ANZ subscription revenues in 4Q FY23 grew by 3% compared with 4Q FY22 in a market where while housing sales volumes were down 21.5% YoY.

Promoter, which enables agents to showcase their reviews and profiles across social media platforms and Google generated just under \$1.1m in ANZ.
