

ASX ANNOUNCEMENT 28 JULY 2023

Appendix 4C and Quarterly Activities Report

The Board of Directors of TTA Holdings Limited (ASX: TTA or “Company”) releases its cash flow report (Appendix 4C) for the quarter ending 30 June 2023 (“the quarter”) and provides an update on activities during the quarter.

QUARTERLY ACTIVITIES REPORT

Principal Activities

The principal activity of the Company in the course of the reporting quarter was trading via E-commerce and selling to retail consumers thru the TEAC Store website and various E-commerce platforms.

Key Areas of Activity During the Quarter

For the reporting quarter, the Company had a negative cash flow of \$24k as against \$201k in the previous quarter. We are actively taking steps to address the negative cash flow and are optimizing our operational efficiency to better align with market demands. Our team is working tirelessly to identify a new revenue stream and cost-saving measures while nurturing our existing customer relationships.

Summary of revenue and expenditure incurred.

For the quarter ended 30 June 2023, our gross sales revenue recorded \$264k, a decrease as compared to the preceding quarter, where our revenue stood at \$372k. This dip in sales performance was attributable to a combination of factors, with one significant factor being the impact of an additional increase in interest rates during the quarter.

The increase in interest rates during this reporting period had a substantial influence on consumer spending behaviour and borrowing costs, leading to a slowdown in local sales across the board, particularly during the first month of the school holiday season in the April.

There was a reduction in cash outflow during the reporting period (June 2023: \$382K) as compared to the previous quarter (March 2023: \$465K).

The inventory level of finished goods is at \$1.16m (March 2023: \$1.25m), a slight reduction as compared to the preceding quarter.

Related party payments made during the quarter.

The payments to, or to an associate of, a related party of the Company during the quarter amounted to \$42k which consists of the consultancy fee and Director fees.

The release of this announcement was authorised by the Board of Directors of the Company.
