ASX ANNOUNCEMENT

Appointment of Director

Today Medical Developments International Limited (ASX: MVP) announced the appointment of Dr Russell Basser to the Board effective 1 September 2023.

Dr Basser is a qualified physician, with over 30 years of international medical and biopharmaceutical experience. Dr Basser's worked as a medical oncologist in Melbourne prior to joining CSL in 2001.

During his 21 years at CSL, he held multiple global executive roles, including Head of Global Clinical Development, Chief Medical Officer and Senior VP of Research and Development for CSL Seqirus. Dr Basser has substantial expertise in international drug and vaccine development and spent several years based in the USA.

Dr Basser currently serves as a non-executive director on the Boards of Starpharma Holdings Limited and Doherty Clinical Trials. He has previously served on the Board of the ANZ Breast Cancer Trials Group and the Hadassah Australia Medical Research Collaboration.

The Chair, Gordon Naylor, said: *"Russell brings extensive global medical and clinical development experience to the Company. Russell's expertise is highly relevant to our US Pentrox entry, as well as being complementary to the Board's membership and capabilities. On behalf of my fellow Directors, I welcome Russell to the Company"*.

Dr Basser said, *"I am excited to join the Company at such an important stage and look forward to helping realise the potential of the Company and its technology"*.

~END~

Authorised for release by the Board of Directors.
