Moving into FY24, we are well positioned to capitalise on a strong pipeline of contract wins which continues to grow year on year. AD1 will remain focused on executing its growth strategy and deliver on its geographic expansion, specifically in North America, while further improving its product suite and growing its portfolio of SaaS businesses.

AD1 continues to pursue cost savings to reduce the operating costs of the business. This will be achieved through the exit of operating USS within the group, whilst all costs are being reviewed and removed where possible."
