

ASX ANNOUNCEMENT

6 September 2023

CHANGE OF COMPANY NAME

The company wishes to advise that, following the shareholder approval obtained at its 31 August 2023 annual general meeting, the name of the company has changed to **Excite Technology Services Limited**.

The name change forms part of the groups rebranding project. With the objective of shifting away from the fear trap tactic many technology service providers leverage to influence customer decisions, the company seeks to make its cyber security and technology services easily accessible to the medium enterprise market, aligned to constructive and real-world business outcomes. The word 'Excite' means to instil feelings of enthusiasm, eagerness and energy, consistent with the agility the Company possesses in the provision of its services. We look forward to providing updates in relation to upcoming events and announcements relating to the rebrand.

ASX is in the process of completing the company's name change and ticker code, with trading expected to commence under the code "**EXT**" from 8 September 2023.
